

Dear Parent(s) / Guardian(s),

Canadian Tire Jumpstart Charities has invited your child to the **Forest Jumpstart Games** – an exciting and fun-filled event on **September 18, 2019** at **Kinnwood Central Public School**.

Canadian Tire Jumpstart Charities is a national charity dedicated to helping kids overcome financial and accessibility barriers to sport and recreation in order to provide inclusive play for kids of all abilities. Jumpstart helps eligible families cover the costs of registration, transportation, equipment and provides funding to selected organizations for recreational infrastructure and programming.

The vision of Jumpstart Games is to create an accessible, national celebratory program that generates awareness of Jumpstart’s work in local markets. Jumpstart Games provide a fun day of play where kids of all abilities can learn teamwork skills and be inspired through sport alongside their peers.

There is no charge for this event, as it is being funded by **Jean-Philippe Lord, owner of the Canadian Tire Store in Forest, Ontario**.

Attached is an Event and Media Waiver that requires the signature of the child’s parent(s) or guardian(s) in order for the child to participate. **Please ensure that it is returned to the school as soon as possible.**
