School Council News

Thanks to Parent and Staff volunteering efforts through Bingo's all students in FDK – Grade 8 will take part in a presentation from D.O. Gibson on April 17th. He is a rapper, author, activist, and entrepreneur who grew up in Sarnia. His name, D.O. stands for Defying the Odds. He is a motivational speaker that encourages students to dream big and never give up. D.O. speaks to the Black experience in Canada which is important for all students to learn about. Although February is Black History Month, the Lambton Kent District School Board strongly believes that learning about Canadian Black history should take place all year long. He has visited over 3,500 schools to date.

Bingo Volunteers

We continue to seek more volunteers. It is a great way to get involved in helping to raise funds in support of school initiatives. For more information or how to get started as a volunteer, please contact the main office.
