Going to be Away?

If your child is late for school or absent, please let us know by using SchoolMessenger. You can also call the school to let us know. We have 24/7 answering machine: (519) 542-5771.

Late? If a child arrives after 8:50am, they are to report to the office for a Welcome Slip before going to class.

Cross Country

Our cross-country team this year was mighty in numbers and strong in dedication and effort. Close to 40 students participated this year and 22 of them qualified for the District Meet where they each competed against a field of close to 70 runners. We are so proud of each and every one of them. Thank you to our coach, Mrs. Perron, for all of her time and dedication, including offering the Run/Walk Club at recess, which gave students even more opportunities to train, expose the younger students to long distance running, to stay active and have fun!

Volleyball

Volleyball season has started for students in Grades 6, 7 and 8. The games will be held after school at London Road school. Good luck to our teams!

Halloween Lollipop Fundraiser

The Student Leadership Team would like to send a big thank you for all your support! They raised \$121.92. The funds raised will go towards future activities/events planned by the team.

Tinker Space

Our Learning Commons Tinker Space is looking for donations of any old electronics, or any smaller size safe electrical items that are no longer being used. They make for great exploration into how electronics work and are assembled. Please drop them off at the office anytime or send them in with your child. Thanking you in advance!

School Council News

Donation Drive – School Council is organizing a Donation Drive to help check some items off Lakeroad's Teachers Wish Lists. See attached list for the items we are looking for. Items will be accepted the week of November 6th and can be dropped off at the office anytime during the day.

FundScrip - it's back again this year! Purchase gift cards to your favourite stores and raise money for the school at the same time. It's a win win! More information will be sent out soon.

Our next School Council meeting will be held on November 29th at 6pm. All are welcome to attend!

School Yard After School Hours

Parents, please be reminded that the playground equipment is the property of the LKDSB and is unsupervised after hours, including at the end of the school day as there is no supervision beyond the 3:10pm dismissal bell. This does not apply to students involved in after school programming that involves the use of the playground equipment, such as the after-school care programs, where the provider of those programs would be responsible for children directly under their care.

Also, for safety reasons, we are discouraging students from swinging and climbing on the railings on the accessible ramp as well as the stairwells.

Upcoming Dates
