### Course Description:

This course explores Canadian law, with a focus on legal issues that are relevant to the lives of people in Canada. Students will gain an understanding of laws relating to rights and freedoms in Canada; our legal system; and family, contract, employment, tort, and criminal law. Students will develop legal reasoning skills and will apply the concepts of legal thinking and the legal studies inquiry process when investigating a range of legal issues and formulating and communicating informed opinions about them.

### Overall Curriculum Expectations:

Refer to the Ministry of Education document entitled *The Ontario Curriculum, Grades 11 and 12 – Canadian and World Studies* which is available in the main office, from your teacher, or on the Ministry of Education website (<http://www.edu.gov.on.ca/eng/curriculum/secondary/2015cws11and12.pdf>)

### Course Content Outline:

Unit 1	Legal Foundations
Unit 2	Rights and Freedoms
Unit 3	Civil Law
Unit 4	Criminal Law
Unit 5	Final Evaluation Activities

### Assessment and Evaluation Strategies:

There are four achievement categories of knowledge and skills that encompass all the curriculum expectations in the Ontario Curriculum for *Understanding Canadian Law (CLU3M1)*. The four categories and their values for the term are as follows:

<b>Knowledge</b>	<b>25%</b>
<b>Thinking</b>	<b>25%</b>
<b>Communication</b>	<b>25%</b>
<b>Application</b>	<b>25%</b>

### **Term Work - 70%**

The achievement categories outlined at the bottom of the front page will be used to evaluate tests, quizzes, assignments, etc. as part of your term work.

### **Final Evaluation Activities – 30%**

All students must participate in the final evaluation activities towards the end of the semester. These final evaluation activities allow students opportunities to demonstrate their achievement of course expectations and represent 30% of a student's final mark.

### **Learning Skills**

Provincial Report Cards will be marked with each student's performance in the five Learning Skills areas:

**1. Responsibility 2. Organization 3. Independent Work 4. Collaboration 5. Initiative 6. Self-Regulation**

These Learning Skills will be assessed regularly by your teacher. They are an important statistic to understand how well students perform in the class. These are not considered in the determination of the final grade. For each of the Learning Skills one of the following achievement letters will be given:

**E = Excellent    G = Good    S = Satisfactory    N = Needs Improvement**

### **ATTENDANCE**

Regular attendance is vital to the process of learning. When the process and content of learning is disrupted by irregular attendance, both the individual and his/her classmates suffer a loss of experience that cannot be entirely regained. Students who miss class will suffer in the process because their participation and achievement cannot be fully assessed. Students are expected to complete any expectations missed due to absence.

### **ACADEMIC HONESTY**

#### **Consequences for Academic Dishonesty on Assignments:**

Professional judgment of the teacher is taken into account to determine the degree of academic dishonesty and appropriate consequences.

**Grade 11** - Student will redo the assigned work. The student will receive a 50 per cent deduction on their assignment. If assignment is not completed and handed in within the time frame specified by the teacher, a mark of zero will be recorded. Subsequent occurrences may result in a mark of zero.

#### **Consequences for Academic Dishonesty on Tests:**

1. Teacher has a conversation with the student about the incident.
2. If cheating has been determined, the student is assigned a mark of zero.
3. Parents are informed if student is under 18 years old.
4. In Grades 9 to 12, administration is informed if situation is not resolved.

#### **Consequences for Academic Dishonesty on Exams:**

1. If cheating is suspected during the exam, student is allowed to complete exam.
2. If cheating has been determined during or after the exam there will be a conference involving administration, teacher and the student. A mark of zero will be assigned.
3. Parents are informed if student is under 18 years old.

**Appeals Process:** Appeals will be requested through the teacher to the administration if the situation is not resolved.

### **LATE & MISSED ASSIGNMENT POLICY**

Students are expected to submit all assignments within the time frame specified by the teacher. Teachers will consider extenuating circumstances when assignments are late or missing. When assignments are late or missing, evidence of student learning is considered to be missing since the student has not demonstrated the expectation(s) being evaluated. Missing evidence of learning may impact a student's final grade.

If there is a pattern of late or missed assignments, or absences on the day assignments are due, the teacher will work with the parent / guardian, administration and a school team including the Student Success teacher, to determine the reason and plan next steps to help prevent and/or address late and missed assignments.

If a student misses an evaluation or a due date due to an absence, the student and teacher will determine a date for completion upon the student's return to school.
