**Hello families of Lambton Kent District School Board!** This message is about a wonderful opportunity for you and your family. We are delighted to announce that our school will be welcoming international students from around the world this upcoming fall and we could use your help. The plan is for each of these students to live with a host family who will make them feel welcome, share our Canadian ways, and help them improve their English. Hosting a student is a great opportunity for your family to develop a friendship with a young citizen of the world, make memories for your family, be an ambassador for your school community and city, and have fun! We will offer you around the clock support, a generous monthly payment and orientations before your student arrives. If you are interested in hosting a student for a few weeks or for the entire school year, please call 519-916-5290 ext 2028 or visit [www.canadahomestaynetwork.ca](http://www.canadahomestaynetwork.ca)

**Greetings from Lancer Music!** It has been a busy second semester! We visited local elementary schools on Friday, February 10th to provide music education outreach concerts to hundreds of future Lancers. On February 15th, we took over the stands and performed throughout the Sarnia Sting game as they claimed victory over the Guelph Storm. On March 9th, the Stage Band represented LCCVI Music with pride as they shared the stage with NCIVS, GLSS, NLSS and the Forest Excelsior Band at the LKDSB Jazz Festival. On April 12th, Lancer Music showcased a stellar performance at the VPP for our annual Spring Music Night and welcomed the warmer weather with high-caliber musicianship and style. Keep an ear out for more music as we head into the final stretch of the semester, and be sure to follow us on Twitter @LCCVIMusic for all the latest updates!

Come on out to the Drama room at LCCVI on Wednesday, May 10th at 7 pm to celebrate Arts Appreciation Night. Be prepared to enjoy musical numbers, poetry reading, dance and drama along with some cool student art on display. Everyone is welcome and there is no cost. Students are asked to please see Mrs. Mueller if interested in performing.

**Cafeteria News** Our Cafeteria has pre-paid reloadable cards available for students. You can find details at [zipthru-card.ca](http://zipthru-card.ca) or by asking one of our cafeteria staff members.

# THANK *You* SO VERY much

The welding classes at L.C.C.V.I. would like to extend a huge thank you to our P.A.I.R.S. partner, Imperial Oil, for their generous contribution of funds towards a new welding rod conditioning oven. The conditioned electrodes are helping our students as they take on the challenge of earning their CWB welding tickets. Thanks again, Imperial Oil for your support!

Thanks so much to all of the community members who came out to support our Track and Field team on April 25. It was great to see so many parents out!

LCCVI Athletics and the LCCVI Boys hockey team would like to thank the following sponsors for their generous donations made to our silent auction hosted in March.

The co-op department would like to thank all of the employers who took students this year in cooperative education placements. All hosting employers from first and second semester are invited to attend the annual Employers' Appreciation Breakfast at the Holiday Inn in Sarnia, on June 1, 2017, at 7:15am. We hope to see many of you there! Contact the coop department at the school if you require more information about the breakfast, or would like to host coop students in the future!

The SHSM (Specialist High School Major) program would like to thank Sarah Milner, Jen Helps and Nathan Russell of the Central Lambton Family Health Team for their partnership in our recent ICE (Innovative Creative and Entrepreneurship) training. The students were excited to partner with the medical practice to address their "patient flow" issues. Some very plausible solutions were presented to their board just last week. It was an extremely positive event for everyone involved.

## **Ticket to the USA- Athletic and Academic Opportunities**

On Thursday May 4th, a session will take place for students and their parents who are considering post-secondary athletic and/or academic opportunities in the United States. This is a new initiative designed to help inform and prepare students regarding the NCAA recruiting process and the necessary high school and external requirements. Specific information regarding standardized testing, NCAA regulations and divisions, and different opportunities within the domain of athletics and academics will be discussed.

This event will take place from 5:00-6:30 p.m. in the LCCVI Amphitheatre. Several different speakers will

be available to answer questions from a student's and a parent's perspective and a presentation will be given with handouts containing all of the necessary links and tips to studying in the United States. The evening will be aimed at students in Grades 9-11, and parents/guardians/family members/friends are encouraged to attend.

A sign-up sheet will be available at Student Services for students to indicate they are interested in attending, as well as their guests. More information regarding the event can be found by speaking with Mr. Shaw in Student Services.

#### Healthy Community Master Plan

The Town of Petrolia and Bluewater Health collaboratively embarked on a journey to look into the future of healthcare in Petrolia and Central Lambton County. This innovative partnership is unlike any other in the Province, and is an excellent example of how communities and healthcare providers can work together to secure the health and safety of its residents over the next 20 years. Residents of Petrolia and Central Lambton are invited to an open house on June 6 to learn more about the process by which we can craft a blueprint for a healthy and safe community.

### A Message from the Nicol Community Scholarship Fund

This year is the 30th anniversary since the Helen Kavanagh Nicol Scholarship was established after the death of Harold Robert Madden Nicol. Mr. Nicol attended LCCVI in 1914 before enlisting in WWI. He was injured at The Battle of the Somme and was sent back to Canada. He eventually made his way to Chicago and worked there for the rest of his life.

When Mr. Nicol learned he was dying, he decided to establish the Helen Kavanagh Nicol Scholarship in honour of his mother and sister. He wanted his money to go to young people at LCCVI. His legacy is strong. Since 1987 nearly 400 Lancers have received Nicol Scholarships.

The Nicol Scholarship has helped those individual students benefit financially, but there has also been a benefit to the greater community. The scholarship has indirectly built a culture of generosity, service to others, and community engagement around LCCVI. In 2016 a group of Nicol recipients came together to ensure that the spirit and gift of the Nicol Scholarship continues at LCCVI. As the original scholarship funds diminish, we are hoping to create an endowment fund to ensure the scholarship continues in the future.

Please help us to continue the Nicol Scholarship by spreading the word to former Nicol scholars and their families, local businesses, service clubs, and individual members of the community that donations are welcome. If the whole community comes together then we can all help to ensure Mr. Nicol's legacy continues at LCCVI.
