Dear Parents, Guardians and Students:

The grade 12 year is a busy year, with many activities planned to assist our students in their transition to life after high school. We are sending this letter to the homes of all of the students registered in Grade 12 at LCCVI to help make sure that you are aware of some of the important events, meetings, and deadlines that will occur throughout the school year. Parents are welcome to attend the College, University and OSAP application sessions we are holding here at the school. In addition to events listed here, many Ontario colleges and universities hold information sessions right here at the school during the day. These are ongoing throughout October and November. Students are advised to listen to announcements and read the bulletin board inside the Student Services office for further details on these visits from various schools. I hope that you find this information helpful. If you have questions about any of the items listed below please give us a call.
