School Council Meeting

We are happy to announce that School Council meetings can now be held in person! Our next school council meeting is scheduled for Tuesday, May 17th at 6:30pm. All parents/guardians are welcome. If you are interested, please contact the office.

Kindergarten Registration

There is still time to register your son/daughter for Junior Kindergarten or Senior Kindergarten for next year. We will be hosting one more Spring FDK open house on June 8. Please follow the link below to register your child online: [Kindergarten Registration](#)

Automated Safe Arrival Calls & Absence Reporting

The Lambton Kent District School Board has implemented an automated attendance messaging system for our school. The system will notify parents/guardians if your child has been marked absent and the school has not been notified of the reason for the absence. To follow-up, we will contact the parent/guardian phone numbers that we have on file and ask that you call the school to confirm the absence and provide the reason. **Please note: To avoid calls and emails regarding attendance, kindly contact that school in advance to let us know your child will be absent. School voicemail messages are checked regularly.**

Education Week

The Ministry of Education has declared the week of May 2 to May 6 as Education Week across Ontario. For 2022, LKDSB's Education Week theme is "Connecting Communities". Please see the following video for more information: [Education Week](#)

Book Fair

Our book fair was a huge success! We raised over \$6,000 and each classroom received \$120 of new books! Our Learning Commons/Library will be getting over \$2,000 of new books and STEM materials. A huge thank you to Mrs. Dickerson for organizing and running the book fair. Thank you to everyone for your support.

Track and Field Day- May 17th

Students in grades 4-8 will participate in Track and Field Day on Tuesday, May 17. Students are asked to report to school per their normal routine in the morning. After morning attendance is taken, classes will walk

down to CKSS to participate in Track and Field. Please remember to pack a lunch and snacks, water, appropriate clothing for the day, a sun hat and sunscreen!

EQAO

Students in Grade 3 and Grade 6 will be taking part in the provincial Assessment of Reading, Writing and Mathematics. This assessment is administered to all Grade 3 and Grade 6 students in Ontario's publicly funded school system by the Education Quality and Accountability Office (EQAO), an independent agency of the Government of Ontario. EQAO assessment questions are directly based on the expectations set out in The Ontario Curriculum, which is what teachers teach in the classroom every day. Parents of these students will receive more information in the coming weeks. For more information about the test, which will be completed entirely online, please see the following video, which comes directly from the EQAO website: [EQAO](#)
