Lambton Kent District School Board

A Message from the Office

Welcome to Spring and to all of the wonderful activities that are associated with this season; increased time outside for Phys-Ed and DQPE, the re-opening of the school playground equipment (hopefully very soon), the increased participation of students during recess time (skipping, baseball, soccer etc.) and the homestretch to the last three months of school.

School Council

Our next School Council Meeting will take place at 6:30 p.m. in the Learning Commons on Tuesday, April 9th. All are very much welcome to attend. Whether you would be a new face or a regular member to our meeting – we'd very much like to see you there.

STEAM Night

McNaughton Ave. P.S presents, 'STEAM Night'. Come join us on Thursday, April 25th, 2019 from 6:00-7:30 p.m. for a night of fun! Students in grades JK/SK – 8 and parents will have an opportunity to participate in a variety of engaging activities and presentations.

EQAO

This year our Grade 3-6 students will write the provincial EQAO assessment for Reading, Writing and Mathematics between May 21st, and June 3rd. Please help your child to do their very best by marking these dates on your family calendar, try to avoid appointments that will cause your child to be absent or late, and maintaining a positive attitude about your child's opportunity to shine. The data that EQAO generates ensures that all students are receiving the highest possible quality of education in our province. If you have any questions about this testing, please don't hesitate to ask your child's teacher.
