A Message from the Office

Spring sometimes feels like it might be just around the corner with the increased amount of sunlight each day. We're all anxious for warmer temperatures and an early spring! Just a friendly reminder that students are expected to dress appropriately for the weather in order to participate fully during their outside recess time.

School Council

Our next School Council Meeting will take place at 6:30 p.m. in the Learning Commons on Tuesday, April 9th, all are very much welcome to attend. Whether you would be a new face or a regular member to our meeting – we'd very much like to see you there. Please note that if buses are cancelled for any reason then all meetings are cancelled, including School Council meetings.

Kindergarten Registration

Our KinderSTART registration days were a success! New students to Kindergarten may continue to register at any time. Please share this message with friends and family who may have a child turning 4 in this calendar year.

March Break

March Break for staff and students begins on March 11th - March 15th. Have a fantastic holiday!

Contact Information

Parents and guardians are reminded to please keep the school updated with new phone numbers. It is very important that we are able to contact you or one of your emergency contacts in the event of an emergency or illness.

End of the Day Messages for Students

Parents who need to provide their child(ren) with a different pick up plan for the end of the day are asked to call the office before 3 pm. Providing the office staff with this information in advance will help ensure your child gets the message prior to the end of the day.
