A Message from the Office

With the visible signs of spring officially setting in, we look ahead to our final two months of our 2019-2020 school year. As students, this helps to frame our attainment of goals set out at our first Report Card and to refocus our efforts as we apply and challenge ourselves through this last portion of the year. We very much look forward to witnessing the continued growth and achievement of our students during May and June.

School Council

Our next School Council Meeting will take place at 6:30 p.m. in the Learning Commons on Tuesday, May 14th. All are very much welcome to attend. Whether you would be a new face or a regular member to our meeting – we'd very much like to see you there. Please note that if buses are cancelled for any reason then all meetings are cancelled, including School Council meetings.

EQAO

This year our Grade 3-6 students will write the provincial EQAO assessment for Reading, Writing and Mathematics between May 22nd and June 1st. Please help your child to do their very best by marking these dates on your family calendar, try to avoid appointments that will cause your child to be absent or late, and maintaining a positive attitude about your child's opportunity to shine. The data that EQAO generates ensures that all students are receiving the highest possible quality of education in our province. If you have any questions about this testing, please don't hesitate to ask your child's teacher.

Education Week

Between May 6th and May 10th we will be celebrating Education Week. Education week is a time to celebrate the many successes achieved by students and their teachers. Education Week activities in our schools may be found on the LKDSB website at:

Track & Field

Our Grade 4-8 students will participate in our exciting Track and Field Day at the CKSS Athletic Complex on Thursday, May 9th, weather permitting. Students are asked to come to school in the morning as usual for attendance, and we will walk from McNaughton P.S to the athletic complex. Please send your child to school dressed for the weather and with running shoes.

The Optimist Club of Chatham will be selling hotdogs, fries, and drinks at CKSS, and students should bring a bag lunch with them as well. Parents are welcome to join us and cheer on our students from the grandstand seating area at the track. Any cancellations for this event will be on the radio-CKSY-94.3 FM and our school Twitter Account- @mcnapseagles
