

## Grades 4-8 Students Leaving School For Lunch?

Dear Parent/Guardians,

Please complete this form if your child is in Grades 4-8 and will be leaving the school on a regular basis during the **FIRST** nutrition break (11:00-11:40). If you would like them to leave the school periodically, a note **MUST** be sent to school each time you will be giving them permission to leave for lunch. **In keeping with our Safe Schools Policy, students are NOT permitted to leave school grounds without a parent note and are required to sign in and out at the office each time they leave the school and return.**

My child \_\_\_\_\_ will remain at school for lunch. I will send a note if they have my permission to leave.

My child \_\_\_\_\_ has my permission to leave the school grounds for lunch during the **FIRST** nutrition break (11:00-11:40) on the following days (please check).
