

Dear Families,

As our year wraps up, we turn our thoughts to next school year. With this in mind we want to share a few pieces of information related to this transition.

To prepare your child and relieve anxiety about the new school year; your child has visited his/her new classroom on Thursday. Please know that while we will do our best to maintain this classroom organization, there is a small chance that this may change.

On the first day of school our Kindergarten students are to kindly come to the outside Kindergarten enclosure. Families of JK students should kindly refer to a letter that has been mailed, sharing details of the first day of school (Tuesday, Wednesday or Thursday). All SK students will begin on Tuesday, September 3rd.

For all other students (grade 1-8), they should kindly line up at the doors they will use for entry at 8:55, (when the bell rings) Teachers will be calling names for students for classes; the same classes as the visits at the end of this school year.

Grade 1-3 (Northeast door – facing playground)

Grade 3/4-6/7 (Central rear door)

Grade 7/8 (Northwest door)

We look very much forward to a learning filled year. Until then, enjoy a safe and relaxing summer.

Most Sincerely,

Josh Alward
