## EDUCATION WEEK 2024

This year, we were able to welcome local celebrity Greg Hetherington to come in and read to our students. We were also able to host a games night on May 9<sup>th</sup>. We were able to welcome many families and think this is an event we will continue to host moving forward.

## EQAO

Our students in grades 3 & 6 have completed the online EQAO assessment again this year. Parents with children in grade 4 and 7 next year will receive a copy of their child's results next school year. We use this data to inform our school improvement planning.

## CLASSROOM PLACEMENT

Again, this year, students will have an opportunity to visit their new classroom and see where they will line up on the first day of school. All classroom placements are tentative until the fall. In the fall, we may have to reorganize our classes if we have a lot of student change over.

If you have a specific request regarding class placement, please send your request in writing. We cannot guarantee all requests will be granted, but will do our best to accommodate them.

To Register online go to: [www.lkdsb.net](http://www.lkdsb.net)
