Covid Screening

Please continue to complete the screening tool with your children daily. The Ministry has published new guidelines which include staying home with 1 new symptom and keeping all family members home if someone is sick. We have included both the link to the screening tool and the new Covid guidelines.

**Your Child Is Sick with ONE or more COVID-19 Symptoms
AND was told NOT to attend school (by the Ontario COVID-19 School and Child Screening Tool)**

They must complete ONE of the following to return to school:

- 1.** Get Tested for COVID-19. Your child and all household members must isolate at home until the sick child receives a **NEGATIVE** result. Family members should isolate away from the individual who is sick (if possible). Your child must be feeling well for at least 24 hours and pass their daily COVID-19 screening in order to return to school.
- 2.** Contact your Health Care Provider (HCP). If a HCP gives a different diagnosis, your child may return once feeling well for 24 hours.
- 3.** If you decide not to complete one of the other options, your child and household must isolate at home for 10 days from the day the symptom started. Once the 10 day isolation is complete, your child may return if they have been feeling well for at least 24 hours.

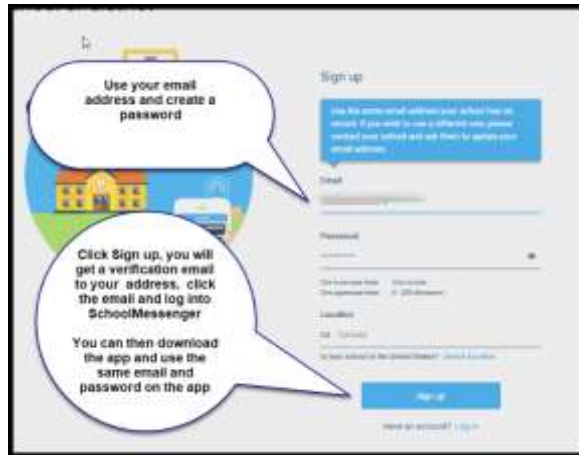

Please visit www.ckphu/covid-19 for more information or to schedule a COVID-19 test. If you have questions or concerns, please call 519-355-1071 extension 2457.

Phone Access and Setting a PIN

If using the LKDSB toll-free Attendance Reporting number 1 (844) 487-3695, Parents/guardians should require that a Personal Identification Number (PIN) be entered before absences can be reported or explained for their student using the SafeArrival phone system.

What if I'm not calling from my home phone number?

You will be asked to enter a phone number that is registered for your student.

Can anyone who knows my phone number report an absence using the phone system? Including my child?

Yes, anyone who uses a phone that is listed in the school's system for your student or anyone who can enter a phone number that is listed in the school's system for your student can report an absence for your student.

It is strongly recommended that you set a PIN that must be entered before an absence can be reported or explained for a student. We recommend that you provide your email address so that whenever an absence is reported or updated, you will receive an email confirmation notice.

Setting a PIN

PIN settings can be set by Parents/ Guardians from the Attendance page of the SchoolMessenger app or by logging into the School Messenger Website.

On the Manage your PIN Settings screen, choose the district in which the student is enrolled (if the Parent Guardian has students enrolled in more than 1 district). The Parent / Guardian will see a list of his/her students and will be able to **tap the checkbox to request that a PIN be required** for when reporting and explaining absences for this student by phone. A 4-digit PIN can then be entered. Changes made on this screen will be saved automatically. Tap the **eye icon** to see the PIN as you enter it. Tap the **edit icon** to modify the PIN.

Playground Before Dismissal

Just a friendly reminder, if you are picking up your son/daughter at the end of the day please refrain from using the playground until the final bell rings. Students will be out using the equipment and fields for Daily Physical Activity, and due to covid restrictions, should not be mingling with others outside of their cohort. Thank you for your co-operation and understanding.

March Break

March Break has been moved to the week of April 12-16th as per the Ministry of Education.

Kindergarten Registration

There is still time to register your son/daughter for Junior Kindergarten or Senior Kindergarten for next year. Please follow the link included to register your child on-line:
