School Closures

We are awaiting an announcement regarding virtual learning in the coming days. Please stay tuned, once information becomes available the school board will be sharing it with you via messenger, school website and on our Facebook page.

Graduation

Due to continuing restrictions, Grade 8 graduation will again be virtual this year. A link will be released for the ceremony by 12 on June 21st, please stay tuned for further information related to grad as more becomes available. We will be sending out a consent form to verify that you give us permission to use your son/daughter's name and image in the ceremony as it will be available to the whole class. Consent will need to be given orally or by responding to the email that you will receive in the next week or two. Thank you for your understanding and patience as we strive to make this milestone as memorable as possible.

New to JK Orientation

We will once again be holding virtual new to JK Orientation sessions if you have just registered or was unable to attend during previous sessions. You will be given an opportunity to sign up for one of these sessions mid-June. Finalized dates and opportunities to sign up will be coming soon!

Vaccinations

In a [news release](#) on Sunday, May 23, Ontario opened vaccination booking for all individuals 12+. As a result, CK Public Health has added new clinic dates where youth 12-17 can now book appointments. Beginning Saturday, May 29 and onward, youth 12-17 can now book into Pfizer vaccine clinics online at www.GetYourShotCK.ca without any pre-registration. Due to a high volume of phone calls there may be delays in booking appointments for families who completed the pre-registration form last week. Caregivers are invited to now book online directly to save time in securing an appointment time. For those that already have a booked date in late June, but would like one sooner, please book a new appointment and complete this [cancellation form](#) afterwards for the previously booked date. For more information, please visit www.CKPublicHealth.com/covid-19-vaccines

Nutrition Program

CK Student Nutrition Program

Need help purchasing food?

If your child attends school in CK, you can register to receive food assistance in the form of grocery gift cards!

- Gift cards are valued at \$40.
- One child can be registered per month, starting the beginning of the month.
- Gift cards will be mailed the first week of the following month to the address included in registration.
- For May, registration closes May 31 and gift cards will be mailed the first week of June.
- Registration open as long as the funding is available.

Register here:

<https://app.gigitmarketplace.com/group/ckstudentnutritionprogram>
or call us at 519.352.7270 ext. 2444.

LGBTQ+

The month of June is nationally recognized as Pride Month in Canada. In accordance with the Ministry of Education's commitment to student achievement and well-being, the Lambton Kent District School Board is supporting the LGBTQ+ community with the display of the Pride Flag for the month of June.

Mental Health

The Ontario Centre of Excellence for Child & Youth Mental Health website has created a document that has many resources to help parents/guardians support their child(ren) who might be dealing with a variety of challenges at this time. Other supports can be found on the LKDSB website under the Mental Health Link-Where to Get Help? Tab. Additional resources can be found at Jack.org on their Covid Response Mental Health Hub <https://jack.org/covid>.

Riverview Gaming Center

Riverview Gaming Center continues to be an important community partner within the Queen Elizabeth community. They provide opportunities for both staff and students through funding given to the school, even when volunteering is not possible. We would like to express our sincerest gratitude for the support they continue to provide.
