Staffing Changes

We wish Mrs. Harrietha a wonderful maternity leave and welcome Mrs. Peltier in her SK/1 class for the remainder of the year.

KinderSTART

Thank you to our FDK team for another successful KinderSTART registration. **If you still have not registered your child for Kindergarten for next year, please contact the school immediately.** It is very crucial your child is included in our class size submission to be sure our building has appropriate staff.

Pediculosis

As the weather and temperatures continue to fluctuate, and students are wearing coats, hats and mitts we feel that it is important to remind parents/guardians to check your child(ren) regularly (2 to 3 times per week) for head lice and nits. Catching them early is the key to limiting the spread within your household and at school. If head lice are found on a student at school, a letter is sent home with students in that class to alert parents/guardians that the condition is present. Students with nits (eggs) and/or live head lice must be treated with a head lice shampoo. We remind parents/guardians to please notify the office if their child(ren) has/have nits and/or lice so that we can try and limit and prevent the spread.

Kiwanis Volunteers

Thank you to the volunteers from the Kiwanis Club that read with some of our students once a week. The students really appreciate the opportunity to practice their skills with caring adults. A special thank you to Mrs. Heaton for organizing the volunteers and ensuring everything runs smoothly.

Riverview Gaming Centers

Thanks to Riverview Gaming Centers for offering opportunities to earn money for the school through bingo nights. The money from these nights fund various projects throughout the school, through the trained teachers and members of the school community that work them. You can show your support for your school community by attending bingos and charity nights or attending the training and sign up to work a bingo.
