School Closures

We are eagerly awaiting any announcement from Minister Lecce regarding any potential changes in our learning platform. As soon as we have any information to share we will be sure to pass it along via facebook and school messenger. Please stay tuned!

Technology Concerns or Other questions

Please continue to call in regarding any issues with technology or any other inquiries you may have. We check the messages regularly and will return your call as promptly as possible.

Attendance

We take attendance daily, please continue to use school messenger if your child will be absent. If you have chosen option 2, that involves completing assignments on SeeSaw or in Google Classroom and not attending Google Meets, please ensure your child's classroom teacher is aware so they are not marking them absent. This will avoid any unnecessary calls or emails regarding your son/daughter's attendance.

At Home Learning

We would like to extend a huge thank you to all staff, students and parents for their hard work during this transition away from face-to-face to virtual learning. We understand this is a major transition for all and appreciate all of your efforts.

Screening

Should we return to face-to-face learning please ensure you are complete the daily screening with your child using the Ministry's screening tool at <https://covid-19.ontario.ca/school-screening/>. Please follow the directions provided by the screening tool, including keeping all members of the family home if one sibling does not pass the screening until proper steps can be followed. Thank you again for doing your part to keep our school community safe.
