Message from the Principal

Between Spring Break and Easter weekend, it feels like we blinked and March was over! The sun has been shining and we have been enjoying some (slightly) warmer weather. It's great to be able to get outside a bit more and enjoy our yard and outdoor spaces.

On April 3rd we welcomed back our 2024-2025 JK students to visit the FDK classroom. It was great to see our future Riverview Raiders once again and to give them an opportunity to meet the FDK teaching team, along with some other new students! We also enjoyed a visit from local radio host, Greg Hetherington, who read to our FDK to Grade 4 students. Thanks so much to Mr. Hetherington for taking time to visit our students!

As a reminder, our April 26th PA Day has been changed to April 8th, due to the solar eclipse. The school will be closed to students on the 8th.

During the month of April we will be holding a school wide challenge. Riverview has been generously gifted four tickets to The Little Mermaid at the Imperial Theatre in May. Mrs. Woodcock, our Resource and Prep teacher filling in for Mr. Dolbear, is playing the role of Ariel in the play. Students will have an opportunity to earn a ballot (or more!) by demonstrating acts of kindness and inclusively to others. Staff will be catching students in the act and giving them a ticket. The winner of our "Part of our World" contest will be drawn at the beginning of May and we will notify the family. We look forward to shining a light on all of the kindness that we see each and every day!

Yours in Education,

Mrs. Schatz

Incident Weather

Riverview is located in Zone 5. In the event of inclement weather transportation may be canceled for the morning only, or for both before and after school. Please download the CLASS app or tune into the local radio station for updates in the morning.

A Message from your Student Principal, Ryder

This month I was voted student principal. During this time I did various tasks around the school to help out and I kind of got an inside experience of being the principal of a school. I became principal of the day because of a vote that took place in my class with my peers. They would pick a grade 7 student to be vice principal which ended up being Mateo and they voted a grade 8 to be principal which was me. We got voted by our peers based on a criteria about the type of people we were and during this day we helped with a kindness challenge that has a special reward and also Riverview's March Madness.

A Message from your Student Vice Principal, Mateo

This month I was voted student vice-principal. Every month our class holds a vote for a vice-principal and principal. I helped out with the reading challenge; we collected votes to find out which book students liked the best. The choices were Officer Buckle and Gloria and Amelia's Road. Officer Buckle and Gloria was the winner. We also introduced the radio station host, Greg Hetherington, who read to students.. We had to help out around the school like the March Madness challenge and other things. It was fun.
