Message from the Principal

This past week we hosted our first of three sessions, welcoming our newest students to the Riverview learning community. Students that are entering school in September of 2024 registered during the evening of February 1st and our PA Day on February 2nd. We had 16 students visit the school and are looking forward to welcoming them back again on April 3rd!

Teachers have been busy writing your child(ren)'s Term One report cards. It is always exciting to capture all of the great learning that our students are engaging in and to share that with our families. This year, you will notice a change to the Language comment. In the past, we addressed the strands of reading, writing, oral communication and media literacy with separate marks and comments. With the updated curriculum document implemented, we have adjusted our report cards to match the change. You will now see one comment and mark for the subject area. Please reach out directly to your child's teacher if you have any questions once you've had a chance to review this comment.

We are looking forward to our upcoming skating trip to the Mooretown arena. We will be going skating on Friday February 16th and Friday March 22nd. A permission form with details about times, skate and helmet requirements has been sent home with your child. Please sign and return the permission form and the waiver as soon as possible and reach out if you have any questions. Payment for the trip is available online through School Cash Online.

Yours in Education,

Mrs. Schatz

Safe Arrival and Dismissal

School Arrival: Students are expected to arrive at school **no earlier than 7:50 am.** as their safety on the yard cannot be monitored without a staff member present. Classes will begin at 8:05 am.

School Attendance: Any student who arrives after 8:05 am will be considered late and must get a late slip from the office. Please enter through the front doors. **We encourage you to be present and on time each day as it is important to a successful school year!**

Early Pick Up: Should there be a need to arrange an earlier pick up time, please call the school office and ask that the message be given to the teacher and your child through the office. To avoid this, we ask that parents please call the school before 2:10 pm to make alternate pick-up arrangements.

Attendance Reporting

In the event that your child is absent from school, we would appreciate you entering this information in the School Messenger app or by calling the school. If this information is not received by the school, a Safe Schools call will be made to determine the reason for the absence and that the parent is aware of the student's absence. If there is no call and the office cannot reach a parent concerning the reason for an absence, the child's absence is recorded as truant, that is, an absence with no permission.

If transportation is canceled schools will remain open, unless a decision is made to close schools.

School Council

The Riverview School Council is made up of parents, staff representatives, community members and the Principal. Input from the various council members shapes school policies and priorities.

Please reach out to jennifer.schatz@lkdsb.net if you would like to be added to the parent council email list. Our next meeting is scheduled for March 20th at 5:30 pm Virtual and in-person options for attendance are available.

Inclement Weather

Riverview is located in Zone 5. In the event of inclement weather transportation may be canceled for the morning only, or for both before and after school. Please download the CLASS app or tune into the local radio station for updates in the morning.
