Message from the Principal

It is hard to believe that March Break is just a few days away! It feels like we just returned from our Winter Break. February was a busy month at Riverview; staff and students recognized Black History Month through a variety of learning experiences. We enjoyed our first round of whole school skating during February; thank you to all the parent volunteers that supported tying skates and helping on the ice. We also wrapped up our Grade 8 fundraiser; a big thank you to all that supported their endeavour by purchasing pepperettes and/or jerky. They very much appreciate the support towards their trip to Muskoka Woods and graduation.

We are looking forward to welcoming our 2024 JK students back to visit the classroom and FDK team on Wednesday April 3rd, during the school day. Parents/guardians of incoming students can connect directly with our school secretary, Mrs. Faubert at 519-346-2775 or Nancy.Faubert@lkdsb.net to schedule their visit.

The Lambton Kent District School Board made the decision to change the Professional Activity Day scheduled for Friday, April 26, 2024, to Monday, April 8, 2024. The decision is due to the number of direct safety concerns associated with the total solar eclipse, which will affect the region between 2:00 p.m. and 4:30pm on Monday, April 8, 2024.

Whether you are planning a getaway this March Break or you are spending time at home, the staff of Riverview wish you all a safe, relaxing and healthy week. Enjoy the time with your family and friends and we look forward to welcoming you all back after the break!

Yours in Education,
Mrs. Schatz

Incident Weather

Riverview is located in Zone 5. In the event of inclement weather transportation may be canceled for the morning only, or for both before and after school. Please download the CLASS app or tune into the local radio station for updates in the morning.

A Message from your Student Principal, Ainsley

I started the morning off by saying good morning with all the classes alongside the Vice Principal, Brayden, and the real Principal, Mrs. Schatz. Once we finished that we then started helping Mrs. Schatz with the "March Madness" challenge. It is a book competition against all the classes where we all have to read different books per day of March. Brayden and I went around to the classes to see what their favourite read aloud was for the challenge. Once we got that information we printed out QR codes for each book as a digital read aloud on youtube. That concludes the day I had as Principal.

A Message from your Student Vice Principal, Brayden

When I was vice principal I went to greet all the classes first thing in the morning. Then we were working on a project to make a new bulletin board. I had to take off the old items from the board first. Then Ainsley and I went to all the classrooms to find out what their favorite books were. We did this so we could make a March Madness reading challenge for the whole school to participate in. It was a busy Friday.
