## Message from the Principal

October has flown by so quickly! It was a busy month at Riverview as we all settled into the new school year. We had our first Parent Council meeting, wrapped up our first fundraiser and squeaked in a hot dog day as well. We had lots of great learning moments and some fun added in to each day.

Our Fresh from the Farm fundraiser delivery is set for November 8th. Details about pick up will be sent out closer to the 8th as we are not quite sure what time the items will arrive. The 8th is also picture retake day; these will take place in the Learning Commons.

On November 16 and 17 we will be hosting parent teacher interviews. Please sign up through the links on page 2 of the newsletter. We are also excited to offer the Burn's Chicken Dinner for pick up on the evening of the 16th. This fundraiser will help to support activities, excursions and resources for the students of Riverview. You can purchase your meals through School Cash Online.

Our next fundraiser begins November first and runs until the 17th. We will be offering winter planters and wreaths through DeGooeys. They can be ordered online and pick up will occur at the school on Nov 29th. This fundraiser will support activities, excursions and resources for the students of Riverview. We are excited to offer these beautiful items just in time for your winter decorating!

During the month of October the office was on the lookout for classrooms that were consistently showing kindness. Many students showed kindness to others, but one class really stood out. Congratulations to Mrs. Pederson's Grade 2/3 class! During the month of November we will be on the lookout for classrooms that are moving through the hallways safely and appropriately. This includes coming in from recess.

We would like to send a big thank you to the Sombra Optimist who have generously sponsored the Astronomy in Action presentations that will take place on Friday November 3rd. Each class will have an opportunity to learn about science in an interactive manner. You can learn more about the program at [www.astronomyinaction.com](http://www.astronomyinaction.com).

## A Message from November's Student Administration

Hello I am Hudson and I was the the Principal for the day and here is Wyatt who was the Vice Principal of the day We are going to explain what it is like being Principal and Vice Principal . Our day started at 8:05 .We put our bags in Mrs. Schatz' office and then she showed us her day planner and what needs to get done. We started off the day By going into each classroom to say hi and to introduce ourselves, after that we had to go make the snack bins and drop them off to classrooms. During the day we helped Mrs Schatz run errands in the school. We helped interview students for a project on the front bulletin board, we asked students what they wanted to be when they grew up. Mrs. Schatz had a few meetings with parents that we didn't get to join. It was a busy day. Wyatt said he would like to do this everyday!

### Safe Arrival and Dismissal

**School Arrival:** Students are expected to arrive at school **no earlier than 7:50 am**, as their safety on the yard cannot be monitored without a staff member present. Classes will begin at 8:05 am.

**School Attendance:** Any student who arrives after 8:05 am will be considered late and must get a late slip from the office. Please enter through the front doors. **We encourage you to be present and on time each day as it is important to a successful school year!**

**Early Pick Up:** Should there be a need to arrange an earlier pick up time, please call the school office and ask that the message be given to the teacher and your child through the office. To avoid this, we ask that parents please call the school before 2:10 pm to make alternate pick-up arrangements.

### Attendance Reporting

In the event that your child is absent from school, we would appreciate you entering this information in the School Messenger app or by calling the school. If this information is not received by the school, a Safe Schools call will be made to determine the reason for the absence and that the parent is aware of the student's absence. If there is no call and the office cannot reach a parent concerning the reason for an absence, the child's absence is recorded as truant, that is, an absence with no permission.

### School Council

The Riverview School Council is made up of parents, staff representatives, community members and the Principal. Input from the various council members shapes school policies and priorities.

Thank you to those that attended our first meeting on September 27th. Our next meeting is scheduled for November 22nd at 5:30. In person and virtual options for attendance are available.

### Inclement Weather

Riverview is located in Zone 5. In the event of inclement weather transportation may be canceled for the morning only, or for both before and after school. Please download the CLASS app or tune into the local radio station for updates in the morning.

If transportation is canceled schools will remain open, unless a decision is made to close schools.
