Milk Order Form One Form per Student

Once again, Milk Cards are available to purchase for students to receive milk during the first nutrition break. The cards are good for 20 cartons of either white or chocolate milk. The cost will be \$20.00 per card. When all 20 cartons have been distributed, a renewal form will be sent home with the student. Milk cards will be kept in the classrooms and volunteer students will "punch" the card each time a student takes a milk. If a student is absent for one day, they can get an additional milk the following day. We will not be distributing "missed" milk for more than one day of absence.

OPTION - MILK ORDERS ON-LINE:

The cost is \$20.00 per milk card which is good for 20 milks, either white or chocolate. This includes the administrative fee of .50 cents. When using the on-line option, you are able to purchase 1 or more milk cards at a time. *If utilizing the on-line option, you do not need to return this form to the school.*
