REMOTE LEARNING

This year has continued to throw us a few twists and turns and the staff at SJM know that it has not been easy on families; we sincerely appreciate all of the hard work and dedication that you are giving to us to support learning.

A huge shout out to all of our educators who have been providing remote programming, supporting students with small groups, connecting one on one and going the extra mile for students!

MENTAL HEALTH SUPPORTS

We are in the middle of a pandemic and this is impacting all of us in different ways. Students and families may be feeling a mix of emotions and it is important to seek out supports if you or someone in your family is struggling. If you need support, please reach out. St. Clair Child and Youth and Family Counselling Centre have partnered to provide a Child and Youth Mental Health Crisis Line for Lambton County. This is a service provided by trained volunteers and is available 24 hours a day, 7 days a week. The phone number for the crisis line is 1-833-622-1320. You can also follow @lkdsbwellness on twitter for more resources.

PLAYGROUND EQUIPMENT

A reminder to all families that children should not be playing on our playground equipment. Each year the equipment needs to be deemed safe for use and have the ground worked up. The equipment is not open for public use.

KINDERGARTEN REGISTRATION

There is still time to register for Kindergarten. If you know someone with a child turning 4 by December, 2021 and they live in our area, please encourage them to check out our English and French Immersion programs.

CAMP FRANCO

We are happy to announce that the LKDSB will be hosting Camp Franco Fun this summer. Camp Franco Fun is an online camp for Core French and French Immersion students in grades 2-5 who want to apply their French skills in hands-on learning outside of the classroom. Parents can find more information and can register their child at www.lkdsb.net/CampFrancoFun

FAMILY OJIBWE NIGHTS

LKDSB will be hosting 'Family Ojibwe Language Nights'. Please watch our FB page, and classroom communication for how to sign up for these sessions. These sessions were well received in April and will be offered every Thursday in May from 6:00—6:45 pm.

DONATIONS

Thank you to those families who supported our donation requests on school cash online. With all of the uncertainty and closures that have occurred during this pandemic, we are eternally grateful to the families that we able to support us. We received \$900 in donations and will use these towards yard improvements. If you would like to make a donation to SJM, please contact the school to make arrangements.
