

TECUMSEH PUBLIC SCHOOL APRIL NEWS

From the office

As we say goodbye to winter and hello to spring we would like to thank all of our custodians for the extra effort required in keeping our school safe and clean. Students are encouraged to have a pair of indoor shoes to wear while in class in order to reduce the amount of mud. Please reach out to your student's classroom teacher if you need help with indoor shoes - we can help. Our outdoor play equipment remains closed pending an inspection in the following weeks. If your contact information has changed (address, phone number, emergency contacts) please make sure to reach out to the office and provide us with an update.

Technology (Cell Phones and Devices)

All electronic devices, such as cell phones, media players, digital game devices, walkie talkies, computers and cameras are not to be used while the student is on school property before, during, or after school without the permission of school personnel and only for educational purposes. Cell phones are to be kept in backpacks while at school unless the student has permission from the teacher for educational use. When carrying a personal electronic device, it is the student's responsibility if lost, stolen or damaged. At no time will students use electronic devices for digital, audio or video recording without permission from the teacher. When students need to contact home/parent, it is important that he/she notify school staff rather than use an electronic option, to ensure staff are aware. During nutrition breaks students are not to be using electronic devices, they are to be stored in backpacks. The focus is always responsible use of technology, and to encourage student physical activity and socialization opportunities during nutrition breaks.

Snack Program Donations

While we continue to and are grateful for the funding we are receiving from the Ontario Student Nutrition Program and President's Choice Children's Grant, some families have reached out to ask how they can best support the Student Nutrition Program here at Tecumseh. If you are able to we would love to receive donations of the following items:

- sandwich/snack size ziploc bags
- plastic spoons

A special thanks to the Tecumseh families who dropped off donations in the month of January! We appreciate you.
