

TECUMSEH PUBLIC SCHOOL JUNE NEWS

From the office

We are so happy to see the return of warm temperatures and longer days. Unfortunately our playground equipment remains closed at this time. As the temperatures continue to climb, students may be starting to spend more time outside learning. Please remember to check the weather and send them with appropriate clothing, hats, water bottles and footwear to keep them sun safe and comfortable.

There are many exciting events planned this month here at Tecumseh including year end field trips and outside play days.

More information will be coming in June in regards to FDK staggered start as well as class placements for students for the 2023-2024 school year.

The PACK wants you here.....

Being on time is a very important part of having a successful day at school. Please make sure your student arrives prior to 9:15am and enters with their class at their assigned door. We have noticed an influx of late students arriving at the front door each morning. Students who are late sometimes have a hard time transitioning down to their classrooms and entering the classroom when students have already started their learning for the day. Students are free to be dropped off anytime after 9:00am, there is supervision on the yard at this time.

Let me hear you
HOWL.....

Medication

If your child needs prescription medication administered during school hours, please contact the office for an “Authorization for the Administration of Oral Medication” form. It must be completed by the parent/guardian and signed by a pharmacist or physician and forwarded to the principal every school year. Updates to the school are required whenever the physician directs a modification of the prescribed medication. We cannot administer any medications without this completed form. If your child is required to have medication at school (EPI-Pen, inhaler), please contact the office so we can ensure that their Individual Medical Plan is up to date and accurate

Mark your calendars...

- June 9th - PA Day (No School)
- June 20th - Playday (for all downstairs students)
