

# TECUMSEH PUBLIC SCHOOL JUNE NEWS

# PRIDE!

## From the Office

It's hard to believe that it is already June. There are many exciting events planned this month here at Tecumseh including year end field trips and outside play days. Please remember to check the weather and dress your student appropriately, ready to enjoy the warm temperatures.

Sunscreen, hat and a water bottle would be great!

**Water Bottles** Just a friendly reminder to students to remember to bring a refillable water bottle to school. Our drinking fountains are now open but we will continue to encourage students to use our water bottle filling stations.

## A Friendly Reminder.....

**DOGS** are not permitted on school property. Please be respectful of each student's comfort level with having dogs on the property during drop off and pick-up. As the weather gets warmer we would ask that you keep Fido at home.

### **CELL PHONES & ELECTRONIC DEVICES:**

All electronic devices, including cell phones, are not to be used while the student is on school property before, during, or after school without the permission of school personnel and only for educational purposes. Cell phones are to be kept in backpacks while at school unless the student has permission from the teacher for educational use. When carrying a personal electronic device, it is the student's responsibility if lost, stolen or damaged.

## School Screener

A reminder that each morning before attending school your student must complete the Ontario Covid School Screener.

## Medication

Medication: If your child needs prescription medication administered during school hours, please contact the office for an "Authorization for the Administration of Oral Medication" form. It must be completed by the parent/guardian and signed by a pharmacist or physician and forwarded to the principal every school year. Updates to the school are required whenever the physician directs a modification of the prescribed medication. We cannot administer any medications without this completed form. If your child is required to have medication at school (EPI-Pen, inhaler), please contact the office so we can ensure that their Individual Medical Plan is up to date and accurate.

## Allergy Alert!

Please be aware that some students and staff have an allergy to nuts and to shellfish which includes shrimp, peanuts, peanut butter, peanut oils, peanut bi-products, sesame seeds, and other tree nuts. Exposure to these kinds of nut products – even trace amounts - could result in a life-threatening reaction.
