

Tecumseh Public School

Suggested Supplies for September 2020

Some classroom supplies will be provided to each student by the school and includes pens, pencils, erasers, glue, glue sticks, crayons, Kleenex, lined and blank paper, and grid paper. As there will be no shared supplies this year, all items brought from home need to be in a pencil case or other container, labelled with your child's name. If you would rather purchase your own child the above supplies, please feel to do so.

Refillable Water Bottle |

NOTES: This is a general list to help prepare for school. Some teachers may have more specific instructions or items that will be mentioned in class. Items will have to be replenished from time to time during the school year. Always label belongings with student names. As lockers will not be used this year, no locks are necessary. Change rooms will also be out of bounds, so changing for gym class will not be available. Fountains will not be accessible, but water filling stations will. Students should bring a refillable water bottle.

We appreciate if you have pencils and pencil crayons sharpened prior to school. Thank you!
