

September 10, 2020

Dear Parent/Guardian/Student,

Thank you for your patience as have worked through some technical issues.

Students may log in to Brightspace, <http://brightspace.lkdsb.net>, where they will see their first quadmester courses. These courses will be accessible on Monday, September 14. Course switches will not be permitted.

In Brightspace, students will also find a course shell called “Learn At Home”. Within this course there is a Student Orientation that students are encouraged to complete to become familiar with Brightspace. The “Learn At Home” course will be available at 9 a.m. on Friday, September 11.

Students will receive an email from each of their first quadmester teachers by 2 p.m. on Friday, September 11. The teachers will introduce themselves as well their courses.

Students who are unable log in to their LKDSB Gmail account or their Brightspace account may contact Student IT Support at [StudentITSupport@lkdsb.net](mailto:StudentITSupport@lkdsb.net) for assistance.

Students who do not have a technology device for Learn at Home are asked to contact their home school to borrow a device.

School begins on Monday, September 14 at 8:20 a.m. See the website for the bell schedule and quadmester schedule.

Should you have any specific questions about your child or Learn at Home, please contact me at [paul.wiersma@lkdsb.net](mailto:paul.wiersma@lkdsb.net).

Sincerely,

Paul Wiersma  
Principal  
Virtual Learn at Home Secondary School  
Lambton Kent District School Board
