

Winston Churchill Public School

Annual Report 2021-2022

Chair: Beth Van Kesteren

The School Council is a group of volunteer parents that met 4 times this year (October, November, January, and May) from 6:00 pm-7:00 pm via Google Meet (with a choice of in person or Google Meet for our May meeting) to support, recommend, and review all aspects of our children's education at Winston Churchill Public School. We are continually looking for new parent representatives to join this group. This is an opportunity to get involved in the decisions that affect our children's education. Here is a sample of some of the things the Parent Council reviewed and/or made recommendations to the school administration and the board for the 2021/2022 school year.

*Academic Success *Building Parent Engagement	*Curriculum *School enrollment and class sizes *Mindfulness and Wellness	*Technology in the classrooms *Growth Mindset and Mental Health initiatives *Special School Wide Lunches
