

Accidents happen...stay prepared!

Did you know? Expenses from your child's accident may exceed the benefits provided by your government and group insurance plans! Some costs may not be covered at all!

Please note that the Lambton Kent District School Board does not provide accident insurance coverage for student injuries that occur on school property or during school activities including extracurricular sports. If a student is injured, parent(s)/guardian(s) are responsible for any costs not covered by the Ontario Health Insurance Plan (OHIP) or their employer's health care plan.

To help protect your family, consider obtaining student accident insurance which provides coverage against accident expenses including emergency dental care, ambulance transport, casts, crutches, physiotherapy, and more.

As a convenience to you, the Lambton Kent District School Board has made an arrangement to offer student accident insurance through insuremykids®.

Whether your child is involved in an accident at school or during non-school hours, insuremykids® can help protect you financially. Their most popular plan, the Platinum Plan, offers 24/7 coverage against accident expenses *as well as* out-of-province emergency medical coverage.
