## Applying to College?

The Lambton Kent District School Board (LKDSB) uploads final course marks to the Ontario College Application Service (OCAS) every two weeks. If you are an LKDSB adult education student who is or was registered in our alternative and continuing education school within the current school year, then it is not necessary for you to request a transcript from us or through your OCAS application.

Please edit your OCAS application and add

### **Lambton Kent Alternative and Con Ed Ctr**

to your list of current schools. Indicate that you are currently attending this school. Under the Education Status section, indicate that you are currently enrolled in a high school course.
