Community Member	Lambton Conty	Wyoming Public School	That has been the name of the community school on that site for many many years.
Staff	Petrolia	Wyoming Station Public	<a href="http://plympton-wyoming.com/userfiles/file/Wyoming%20History_1.pdf">http://plympton-wyoming.com/userfiles/file/Wyoming%20History_1.pdf</a> . Great West Railway connected Sarnia to Wyoming.
Staff	Petrolia	Wyoming Village Public	<a href="http://plympton-wyoming.com/userfiles/file/Wyoming%20History_1.pdf">http://plympton-wyoming.com/userfiles/file/Wyoming%20History_1.pdf</a> . Wyoming remains a very welcoming community of village status due to the essential services that it maintains, well after its initial incorporation. The main corridor still has original buildings, and the train passes through the middle of town next to the mills. The local cemetery is clearly full of historical families and immigrants that made their way to this little community.
Staff	Petrolia, formerly Wyoming	Wyoming Station	<a href="http://plympton-wyoming.com/userfiles/file/Wyoming%20History_1.pdf">http://plympton-wyoming.com/userfiles/file/Wyoming%20History_1.pdf</a> October 11, 2016 12:39. The Great West Railway connection is part of the history of this community, hence the use of the word "Station." This is the second entry using the Wyoming Station Public as I did not give the rational the first submission.
Staff	Petrolia, formerly Wyoming	Railway Station Public	<a href="http://www.petroliaheritage.com/wyoming.html">http://www.petroliaheritage.com/wyoming.html</a> . Wyoming's rail connection to Sarnia and London is part of its history. "Rail Station" Public
Staff		South Plympton-Wyoming Public School	It IS our name. We ARE one school and have been one school since our populations were amalgamated previously. We already have a sense of community and unity and deserve to keep that while celebrating that we were once 2 separate schools/campuses.
Staff	work for CLASS	Plympton Wyoming Public School	combination of the current names, gives geographical area, will be the only LKDSB school in the area
Staff	Petrolia	Great West Rail Public	The Great West Railway connected Sarnia and London via Wyoming. The name reflects the history of the establishment of the railway in Lambton County.
Staff	Petrolia	Off Broadway Public	Geographical rationale. The school is located off Broadway Street, in Wyoming.
Community Member	Sarnia-Lambton Economic Partnership	Discoveries Elementary	This idea comes from Sarnia-Lambton's community branding "Discoveries That Matter", which is a reference to historical figures, local discoveries and would also represent the discoveries of children as they learn in school. "Lambton County is more than just a cluster of individual communities. We are a close group of neighbours connected by some of the most unique discoveries found at every corner. From the pristine beaches to the innovations in clean-technology, our diverse history and geography provides a wide variety of industry, attractions and culture that everyone can experience. We invite you to share your special moments, help strengthen our voice and tell the world why Lambton County makes Discoveries That Matter."

Alumnus	Previous Student of both schools -Wyoming Ont	Plympton-Wyoming Public School	As they join together it would be nice if we could keep a part of both names and it would also be a familiar name in the community and to the students. Both schools were great schools and I enjoyed the teachers and my growth there. I wish you well during the transition.
Staff	Sarnia	Plympton-Wyoming Public School	The school is in the community and best to combine both names.
Community Member	Lambton County	Lambton County Public School	Wyoming is close to the centre of Lambton County. The county buildings are also located in Wyoming just seems right.
Staff, Community Member	Wyoming	Wyoming Area Public School	Focuses on the entire community where students will be coming from, within the town and surrounding area.
Parent	Wyoming	Tudor Rose school of Wyoming	Tudor Rose is on Wyoming crest. Tudor Rose was chosen as the National Emblem of England and also on the Coat of Arms of Great Britain. Wyoming is of English origin and Plympton named after a town in Devonshire England.
Parent, Alumnus, Community Member	Wyoming	Plympton-Wyoming Public School	Combining Plympton Township with Village of Wyoming. Both school names are incorporated into new school name.....similar to the Town of Plympton-Wyoming currently.
Alumnus	Plympton Wyoming	Plympton Wyoming Public School	Includes part of both of the schools previous names.
Parent	Wyoming	Wyoming Public School	Leave name the same. A lot of unnessessary costs incurred to change name. It's always been Wyoming Public Scool. Keep with tradition.
Parent	Plympton-Wyoming	Plympton-Wyoming Public School	It seems to be the logical name to include both schools, both in name and geographical location.
Parent, Community Member	Wyoming	Wyoming - South Plympton (existing)	School and community already think of it as one school under the existing format. No need for a change in this situation. Not trying to merge cultures - already there.
Community Member	Petrolia	Plympton Wyoming Public	Personally, I don't see the need for a name change, but thing a melding of the 2 is something that respects both origins. Alternatively, an entirely new name that doesn't favour either school would be the next best.

		School	
Parent	wyoming	Wyoming Public School	I think the name should stay the same. The only thing changing is we are adding South Plympton school students to it which they would be attending anyways once grade 4 comes along. It is in the community of Wyoming and has and always will be Wyoming Public School to everyone. No matter the school we are all Wild Cats...
Student	wyoming	Wyoming Public School	I will be in grade 4 next year and have always looked forward to going to Wyoming Public like my big sisters.
Student	Wyoming	Wyoming Public School	I live in Wyoming and want to go to the same school my sisters go to which is Wyoming Public School.
Staff	Plympton Wyoming	Plympton Wyoming	I think the two schools have been together for so long that the joining into one building is like combining a blended family therefore mixing both names together fits best.
Parent	Enniskillen	Plympton Wyoming Public School	It's where it's located and keeps both school names.
Parent	Wyoming	Hub central or The Hub	Hub of lambton county Wyoming
Parent	Village of Wyoming	Plympton-Wyoming Public School	It describes the area in which the students attending the school are from. School names that describe the name of the Municipality/Village or area in which they are located make it easier when are students participate in activities with other schools - you know where we are from! To just blend the two names of the existing schools pays tribute to them.
Student	Watford	Plympton-Wyoming Elementary School	I think it's a good name because it's a mix of the word Plympton from SP's name and Wyoming's name and we live in Plympton-Wyoming.
Student	Wyoming	LCCVI	The reason why it was a good name for the school is because my sister goes to that school.
Parent	South Plympton	Plympton-Wyoming Public School	
Parent	Not Available	Plympton Wyoming Public School	It is logical. Easy for kids of all grades to remember. It is South Plympton/Wyoming Public School now.

<b>Which stakeholder group do you belong to?</b>	<b>Community you belong to:</b>	<b>Suggested School Name:</b>	<b>What is the rationale or idea behind the new name you have submitted? Why do you think this is an appropriate name for the school?</b>
Staff	Petrolia	Plympton-Wyoming Public School	Combined South Plympton name with Wyoming. Plympton-Wyoming is the township name.
Student	Outside Sarnia, near Wyoming	Plympton Wyoming Elementary School	I think it is a good name, because I want to keep the Wyoming Wildcats jersey.
Student	Outside Sarnia, near Wyoming	Wyoming Elementary School	I think that we should keep the wildcat team.
Student	Plympton-Wyoming	South Plympton Wyoming Public School	I think that South Plympton Wyoming Public School is a good name for the new school because it is both South Plympton and Wyoming Public School's names combined. This way everybody feels like they are still welcome and if anything else, students might feel like they are going to an entirely different school, who might feel uncomfortable
Student	Wyoming	Sir John Colborne Memorial School	I think it suits the school because he named the town of Wyoming.
Student	Plympton Wyoming	Plympton-Wyoming Public School	So then the school still has the same name but has both schools names in it.
Student	Wyoming	Sir John Colborne Memorial School	Sir John Colborne named and established Plympton Township after a small town in England.
Staff	Petrolia	South Plympton/Wyoming Public School	Town tradition.
Staff	East Lambton	South Plympton/Wyoming Public School	Town tradition.
Staff	Oil Springs	Wyoming Public School	Why change something that already works?

Which stakeholder group do you belong to?	Community you belong to:	Suggested School Name:	What is the rationale or idea behind the new name you have submitted? Why do you think this is an appropriate name for the school?
Student	Wyoming	Plympton Pythons	Pytons are fierce, brave, and confident and I think our school is fierce, brave, and confident.
Student	Wyoming	Plympton-Wyoming Public School	It's a combo of both names. It has where it is (Wyoming) and I think it would be a reasonable school name.
Student	Wyoming	Plympton Wyoming School	I think this is a good name because Plympton is from the other school and Wyoming is the town and part of this schools name.
