 - a) Director Howitt serves Notice of Motion, "That the Board approve the following changes to the LKDSB Procedural By-Laws."

SECTION 1 INTERPRETATION

1.05 "Current year" means the year during which the Chair holds office, i.e. December 1, to November 30.

November 15 to November 14.

SECTION 2 THE ANNUAL ORGANIZATION MEETING OF THE BOARD

- 2.2 The annual Organization Meeting shall be held at 7:00 p.m. on the first Tuesday of December on November 15 if it is a Tuesday or on the first Tuesday following November 15, in the Board Room in the office of the Board. On the petition of a majority of the Trustees who will comprise the Board, the Director, or their designate, shall arrange for the calling of the Annual Organization Meeting at some other specified time and date provided that the date is not later than the seventh of December November 21.
- 2.8 The Trustee elected Chair shall hold office during the year (December to November inclusive November 15 to November 14 inclusive) and until their successor is elected.
- 2.15 The Signing Officers for the Board shall be the Director of Education and Secretary of the Board and the Treasurer of the Board. They shall be appointed by Board resolution at the Organization Meeting, to serve from December to November 15 to November 14 inclusive.

SECTION 3 REGULAR AND SPECIAL MEETINGS OF THE BOARD

3.14 Delegations

Any person from the community or community group wishing who may wish to address the Board on issues of concern to the education system shall give seven working business days' notice electronically or in writing to the Secretary of the Board or designate and shall indicate the matter or issue they wish to speak to and provide an electronic or printed copy of their presentation with their request. Requests received without supporting documentation will not be considered. The Chair, Vice-Chair and Director of Education will review all requests at the Agenda Review Meeting prior to the Board Meeting and determine if the request will be placed on the Board Agenda and if so whether the topic is for the Public agenda or Private Session (see by-law 3.13 Meetings in Private Session). Individuals or groups may be limited to one presentation to the Board on a given topic in a school year. Delegations should address the concern identified in the presenters' application. If materials presented differ substantially from the written submission, the Chair has the right to rule the presentation out of order. At the conclusion of the delegation presentation, Trustees may ask questions of clarification.

3.15 Time Limitation

Approved requests from community members or groups shall have ten minutes to address the Board. If more than eight presentations are requested, the Chair may schedule a Special Board Meeting to hear the presentations/delegations.

3.16 Public Gallery Closed

If the Public Gallery is closed, arrangements will be made for the delegation to present remotely.

3.4617 Posing Questions at Meetings

In addition to the foregoing, persons or groups may pose questions, to the Board in accordance with the following procedure:

- a) the questioner shall submit the question either orally or in writing to the Chair of the Board;
- b) the Chair or their designate shall answer the question if the information is immediately available or send a written reply following the meeting with this response shared during business arising at a subsequent meeting; and

- c) the questioner may ask a follow-up question for clarification; and
- d) the questioner shall not address confidential personal, property, legal or negotiation matters.
- 3.1718 The Beard Chair may limit the number of questioners and questions as it sees fit.
- 3.19 Public Gallery Closed
 If the Public Gallery is closed, questions must be submitted through email to the Secretary of the
 Board or designate by noon on the day of the Board Meeting.

SECTION 7 RULES OF ORDER

- 7.4 After a motion is seconded and stated by the Chair, it shall be deemed to be in the possession of the Board, but may be withdrawn by the mover, with the consent of the Boar before being put to a vote.

Black History Month

Superintendent Helen Lane introduced LKDSB Inclusive Diversity Consultant Candice Fung and congratulated her on being the recipient of the Ontario Black

History Society's Mary Matilda Winslow Award.

Candice Fung began her presentation noting Uncle Tom's Cabin and virtual tours and exhibits provided by the Buxton National Historic Site & Museum.

She noted students have been investigating the long Canadian history of Canada. She noted the awareness of writers, mathematicians, inventors, scientists in the world and bringing attention to their contributions the black community has provided aids in fighting anti-black racism. Some schools are celebrating joy and pride through black literature, learning about emotions and challenges elicited by discrimination. Ms. Fung noted connections to link to history are prevalent and explained as an example that Chatham Kent Secondary School is highlighting black musicians during morning announcements and various schools' activities reflecting Black Canadian History. She explained LKDSB staff have been provided with a list of videos and resources and school libraries are showcasing Black Authors and stories of challenges. The Black History/Anti-Black Racism Google Classroom provides teacher ready resources and opportunities for the almost six hundred educators who have signed up for this classroom. Ms. Fung described the February edition of the Inclusive Diversity Newsletter which provides strategies to identify gaps in knowledge of Black history, Black struggles and Black contributions to the academic disciplines being taught. Ms. Fung provided a description of the Black Student Voices affinity group where students meet to share experiences.

Director of Education's
Snapshots of Excellence

Director Howitt noted congratulations to Candice Fung in receiving the Ontario Black History Society's Mary Matilda Winslow Award.

Director Howitt noted the Director's Snapshots of Excellence depict students returning to face to face learning and engaging in activities preparing for the Winter Break, which included receiving donations of backpacks, school supplies and winter gear. Students and schools enjoy giving and different donation avenues were explored.

Director Howitt indicated there was a period of remote learning in January with face to face learning returning on January 17, 2022 in time to enjoy some outside play in the snow. He noted registration for students who will be new in the fall occurred on the professional development day. He indicated this allowed the new registrants and their families an opportunity to see their classroom. Director Howitt explained that some parents were registering their second child in school and had not seen where their child currently registered has been learning as the opportunities that traditionally allow parents to come in were not available.

Director Howitt noted the Winter Olympics provided math and language activities to engage students. He indicated student achievement awards provided by the Ontario Secondary School Teacher's Federation (OSSTF) were awarded with poetry and artwork submissions. Director Howitt noted the new mural of the North Lambton Secondary School eagle mascot.

February is Black History and African Heritage month and as noted by Director Howitt, schools had displays and activities including a daily trivia question that was designed as a scavenger hunt.

Director Howitt noted learning that students engage in includes hands on technology creating electrical circuits and the use of coding. He noted as winter weather progressed students could create snowmen and snow sculptures. He explained that some seniors in long term care settings and Bluewater Health received valentines made by students.

Director Howitt explained a virtual painting lesson by Moses Lunham helped students learn different painting techniques. He also explained that the John McGregor Secondary School technology class has been creating garden tools and in their greenhouse, plants are showing signs of blooms.

Tender Award –
Classroom Renovation,
HVAC Upgrade &
Accessibility Ramp
Replacement – A.A.
Wright Public School
Report B-22-24

Moved by Jane Bryce, seconded by Malinda Little,

Superintendent McKay noted this to be a tender award for classroom renovation, HVAC and replacement of accessibility ramps at A. A. Wright Public School. He noted Westhoek Construction bid \$725,345 plus design fees of \$65,64372 and \$17,085.36 HST for a total project of \$808,074.08. He indicated \$608,074.08 was to be funded using School Condition Improvement Funding and \$200,000 was to be funded using School Renewal funds.

"That the Board award the tender to the successful bidder, Westhoek Construction Ltd. for the classroom refresh, new HVAC and replacement of accessibility ramps at A.A. Wright Public School."

Superintendent McKay noted the cost is up 35% over an eight-month period from initial planning to final estimates and tender results were submitted. He noted it is concerning with the changes in the pricing market and HVAC and electronic equipment needs to be planned carefully for a summer completion. Superintendent McKay indicated part of the overall planning is included in the LKDSB Accessibility Report as well as goals for future years for accessibility.

Ontario Public School Boards' Association Update (OPSBA) Trustee Fletcher noted the OPSBA Board of Directors meeting will be held the evening of Friday, February 25 and morning of Saturday, February 26 2022 and noted he would provide further information.

Parent Involvement Committee Report Report B-22-25 Director Howitt noted consultation for the Student Demographic Census with the Parent Involvement Committee (PIC). He noted there will be a virtual workshop provided by PIC on April 28, 2022 at 6:00 p.m. with Yassmin Abdel-Magied with a TED Talk presentation. This will focus on her personal experience in skilled trades and denotes positive messaging for people to recognize themselves and what is within them. He encouraged Trustees to join the workshop.

CLASS School Site Plans Report B-22-26 Superintendent McKay noted CLASS has been working on Standardized School Site Traffic Management Plan. He noted each school is unique with traffic including vehicles, buses, walkers and bikers and noted many schools have become very congested. He explained this is a safety focus endeavour in which a standardized instrument was developed for the purpose of "housing" individual plans for all schools of both CLASS member Boards. The

template development was leveraged to address specific school site details pertaining to traffic flow, pedestrians, school buses, parking, and access points. He noted CLASS started to develop site management plans in dealing with traffic and that this has been helpful for municipal partners for use of the information CLASS has gathered for their own traffic plans with schools. Superintendent McKay noted the links included in the report providing information by clicking on the arrow for the LKDSB all schools which will then provide a site plan. He indicated that there is encouragement for walking and bicycling to increase active ways for students to get to school.

Superintendent McKay noted each school site is marked up to display items such as Fire Route, Main School Entrance, Child Care Entrance, Accessible Parking, Vehicle Access, School Bus Loading Zone and displays active travel using pedestrian paths and sidewalks. The format is the same for elementary and secondary schools and provides a resource for principals to communicate with their school community.

Superintendent McKay confirmed it would be a collaborative process with the architects consulting with CLASS. The CLASS school site plans will be followed and will collaborate with the municipality with the addition of sidewalks to ensure safety for students walking to school.

LKSB COVID-19 Report Report B-22-27 Director Howitt noted items such as Kindergarten registration and extracurriculars continue to become fluid and are beginning to restart. He noted it is a time of some relaxation of some protocols but not all. Guidance that takes place within communities may not have been adjusted in the schools by the Chief Medical Officer of Health and explained there are two different guidance documents and the LKDSB follows the school and child care guidance. He noted communication to assist schools will occur. Director Howitt noted the public gallery is open to the public and is back to full capacity. He explained the Vaccine Passport is still a requirement to attend an LKDSB Board meeting and noted it may be lifted in the near future.

Trustee Questions

A question was asked about the financial implications due to the changes detailed in an article found on the People for Education (PES) website. Director Howitt responded that the LKDSB will continue to offer courses through the OELC and provide courses to students in other boards. He noted that the more classes in an eLearning environment impacts the number of students attending in-person classes. He explained many LKDSB students already participate in OELC courses particularly in the smaller, rural schools. Director Howitt was pleased that of the two mandatory credits one credit in grade 10 is granted already due to the remote learning and that parents have the option to opt out as a graduation requirement. He explained actual costs will not be available until the technical paper is received.

In regard to National Human Trafficking Awareness Day and how it is included in the curriculum, Superintendent Girardi confirmed the Ministry of Education has made it mandatory for every board across the province to develop an Anti-Sex Protocol and Procedure. He noted the administrative procedure is on the board website and the Board is still in consultations with its community partners. He noted the discussion regarding curriculum is important, and the Physical

Education courses have a health component, but additional workshops help support and protects students by promoting awareness. He noted the training is important and there is a need to understand where and when these items will be introduced to our students.

Superintendent Barrese confirmed PPM 81 Provision of Health Support Services in a School Setting outlines responsibilities of school boards, Ministry of Health Long-term care and Ministry of Community and Social Services for ensuring students with special education needs receive supports and services required to attend school. She noted there have been consultations with community partners in the past as updates were necessary. They have been asked to provide updates to the PPM in health services and the delivery of health services and rehabilitation service, and the proposed changes are extensive in both components. She noted the school board provided the Ministry of Education with feedback and the Superintendents of Special Education met with the Assistant Deputy Minister to provide feedback and concerns. She noted the implementation timing is problematic to school boards and the changes to staff requirements will be significant. She explained the Special Education Advisory Committee (SEAC) has had several letters sent by other SEAC groups outlining their concerns and local Children's Treatment Centre has offered to meet to provide information about structures currently in place. SEAC has suggested they would create a letter of concerns if they felt it was warranted.

SUBJECT: Final Report on the Determination and Distribution of School

Board Trustee Positions for the 2022 Regular Election

The Ministry of Education recently released the Trustee Determination and Distribution Guide for Ontario District School Boards, 2022.

The rules governing the number and distribution of trustee positions are found in Section 58.1 of the Education Act, and in Ontario Regulation 412/00 - Elections to and Representation on District School Boards.

School boards are required to calculate trustee determination and distribution by March 31, 2022. These reports are to be submitted to the Ministry of Education and municipal clerks by April 3, 2022. Data provided by the Municipal Property Assessment Corporation (MPAC) is used to complete the necessary calculations.

Attached is the LKDSB Report on the Determination and Distribution of School Board Member Positions for the 2022 Regular Election.

The population tables indicate a similar distribution of the electoral population as in the 2018 election. There have been no significant changes. A change in determination and distribution of trustees is not being recommended. The data presented indicates that there is not a need to designate any areas as low population municipalities. District school boards in northern Ontario have designated certain low population areas to provide the under populated areas with appropriate representation on district boards. The designation of a low population area results in the same number of trustees, distributed in a different manner.

Recommendation #1:

"That the Board not designate any municipality within the Board's jurisdiction as a low population municipality."

Recommendation #2:

"That the Board approve the Report on the Determination and Distribution of School Board Member Positions for the 2022 Regular Election."

TRUSTING RELATIONSHIPS Strengthen relationships based on respectful collaboration

SUSTAINABLE STEWARDSHIP Optimize human, financial and physical resources

FROM: Brian McKay, Superintendent of Business & Treasurer

DATE: March 29, 2022

SUBJECT: Policy and Regulation - Expense Reimbursement for Staff, Trustees,

and Student Trustees

The policy and regulation on Travel and Expense Reimbursement for Staff, Trustees and Student Trustees have been reviewed as part of the LKDSB cyclical review.

No changes are recommended for the policy.

The following changes and additions are reflected in the regulation:

Meal expenses will now use the Canada Revenue Agency meal allowance rates. The
following chart compares the Board's current per diem allowances with the latest CRA per
diem allowances for meals. The rates include taxes and gratuities. Note that the Board has
not changed meal per diems since 2017.

	Current Rates	CRA rates
Breakfast	\$19.49	\$21.35
Lunch	25.99	21.60
Dinner	32.49	53.00
TOTAL:	\$77.97	\$95.95

- The Board has created an electronic expense report and an associated Expense Report User Guide. Many of the instructional components of the regulation have been removed as they are included in the User Guide.
- The regulation now references the use of P-Cards. The impact of P-Card usage has impacted the expense reimbursement process which is now reflected in the regulation.
- Various updates to language have been made in the regulation.

The second recommendation is for a mileage and meal per diem adjustment to occur as at April 1, 2022. Recent increases to gas and meal prices support a mid-year adjustment to these two rates. Future rate changes would continue to occur on September 1st of each fiscal year. The regulation does include a new provision that would allow for mid-year rate changes to occur if CRA rates move significantly. The current CRA mileage allowance, as compared to the mileage rate instituted by the Board in September 2021 is as follows:

	Current Rates	Proposed Rate
Per km – first 5000 km	\$0.59	\$0.61
Per km – additional	0.53	0.55

Recommendation #1:

"That the Board approves the review of the revised regulation on Expense Reimbursement for Staff, Trustees and Student Trustees."

Recommendation #2:

"That the Board approves the adjustment of the mileage and per diem rates, based on current CRA guidelines, to be made effective April 1, 2022."

- 1.1 The Board will reimburse employees, trustees, student trustees, and approved Board committee members (volunteers) for travel-related expenditures submitted on a-the LKDSB electronic Board Expense Report form-accompanied by original-itemized receipts, where appropriate. Appropriate approval from the budget holder must be obtained before incurring the expense.
- 1.2 Expense Reports (Appendix A) are to be fully completed by all staff who incur expenses while on Board-approved business, in accordance with the Expense Report User Guide. Expenses should be submitted at least quarterly and no more frequently than monthly. Claims should not span more than one school year. Expenses must be claimed during the appropriate budget year (Sept. 1 through Aug. 31). After the close of the August 31st year end, expense claims are to be submitted within 5 business days.
- 1.3 The reimbursement of expenses will include, but are not limited to, actual out-of-pocket expenses incurred for:
 - Courses, conferences or workshop registration fees where a purchasing card cannot be used to pay for the registration;
 - b) Hotel room charges for accommodation in a standard room where the employee does not have a purchasing card and the employee does not regularly travel—no additional reimbursement will be made for suites, executive floors, or concierge levels:
 - Meals as outlined under "Meal Expenses" (if not included as part of event registration fees);
 - d) Tips and gratuities to a maximum of 15%;
 - e) Business telephone calls;
 - f) Taxi receipts;
 - Supervisor approved car rental, when a rental vehicle is more economical than the use of a personal vehicle and where the employee does not have a purchasing card;
 - h) Public transportation;
 - i) Necessary parking and toll fees; and
 - j) Other business expenses_-(e.g. internet).
- 1.4 The following items will not be reimbursed:
 - Recreational costs (e.g. fitness facilities, video/game rentals, mini-bar charges, etc.);
 - b) Movies;
 - c) Alcoholic beverages;

- d) Charges incurred by a guest;
- e) Parking or traffic tickets;
- f) Specific automobile expenses (reimbursed per kilometer charge); and
- g) Gift cards or gift certificates; and-
- h) Non-travel related expenses that should be purchased via purchasing card or purchase order

g

- 1.5 Claimants are required to repay any overpayments that may have been made in error. This may be resolved by deducting the amount from a subsequent expense claim.
- 1.6 Cash advances are not permitted.
- 4.7 <u>| Attach original, itemized</u> receipts <u>are to be submitted with te-the Expense Report for all expenses being claimed for accommodation, registration fees, meals (if applicable) and transportation. Photocopies of receipts or credit/debit card slips are not acceptable as they do not provide sufficient original detail to authorize payment or meet audit requirements.</u>

1.7

- 1.8 All receipts that involve a group should clearly indicate on the back of the receipt who was in attendance for the claim to be processed.
- 1.9 Provide the appropriate account code in the area titled 'Account Distribution'.

Travel Expenses:

- 2.1 The Board will use Canada Revenue Agency vehicle kilometer rates for Ontario and the rates will be reviewed annually as part of the Board's budget process.
- 2.2-Employees will be reimbursed for eligible, actual kilometers travelled, on Board business. The rate per kilometer to be used for claims is based on the Canada Revenue Agency's (CRA) definition of a reasonable rate. The rate will be reviewed and set by the Department of Finance on an annual basis on September 1st, and may be reviewed more frequently should rates move significantly during the year. Updates to the rate per kilometer, when applicable, will occur on September 1st of each budget year. The rate is set by the Department of Finance on an annual basis and is reflected in the below table:

These rates are effective September 1, 2017

- Kilometers	Allowance Rate
<5,000 km	\$0.54/km
>5,000 km	\$0.48/km

The following rates remain in effect until August 30, 2017:

- \$0.49 per kilometer for individuals who are required to use their vehicle on a regular basis: and
- \$0.41 for individuals required to use their vehicle on an occasional basis.
- 2.3 If applicable, complete the Travel Log, on page two, of the Expense Report form, and transfer the total kilometers to the "Travel" area on the front of the form. All columns must be completed for the claim to be processed including the purpose and the number of kilometers.

REGULATIONS NO. R-BU-502-17

- 2.62.4 When an employee travels directly from home to a meeting or job site that is not their regular assigned job site or home location (not regular assigned job site or home location), the employee will claim the distance from home to the meeting or job site (not regular assigned job site or home location). For greater clarity reimbursement for travel is eligible for:
 - travel from home directly to a location other than the employee's assigned job site or home location and vice versa;
 - travel from the employee's assigned job site or home location to another location which is either another LKDSB property or to another location, while on Board business (i.e. Ministry meeting);
 - travel between other sites (not assigned job site or home location) while on Board business.
- 2.72.5 Employees that start their day at a different Board job site (i.e. Itinerant teachers) will claim travel expenses as follows:
 - Kilometers travelled from home to their first LKDSB job site for the day and kilometers travelled from their last LKDSB job site for the day to home are not eligible kilometers for reimbursement.
 - Kilometers travelled from their first job site to other LKDSB locations are eligible for reimbursement
- 2.8-Travel outside the Province or Country must be preapproved by the employee's supervisor.
- 2.92.6 Shared transportation is encouraged, when appropriate. Only the vehicle operator can claim the kilometer allowance.
- 2.102.7 Reimbursement is provided for parking and highway tolls, when on board-Board business.
- 2.112.8 Where modes of travel, other than private automobile are chosen as appropriate, expenses incurred will be approved at the economy rate.
- 2.122.9 Individuals must satisfy themselves whether their motor vehicle insurance coverage should include business use of their vehicles. Individuals driving a personal vehicle on board Board business cannot make claims to the board For damages as a result of collision or breakdown.
- 2.132.10 Reimbursement for travel is not eligible for:
 - the distance traveled from home to assigned LKDSB site or home location or vice versa:
 - travel between locations when two or more positions are held at an employee's option;
 - professional development activities, held specifically within our Board at a Board owned site or location; for participants on professional development as identified in the school year calendar;
 - · unauthorized travel;
 - traffic or parking violations.

Meal Expenses:

- 3.1 The Board will use Canada Revenue Agency meal allowance rates for travel in Canada (all provinces) which includes taxes and gratuities. The rates will be reviewed annually as part of the Board's budget process.
- 3.13.2 If applicable, complete the per diem meal section of the travel log in the LKDSB electronic Expense Report. Meal Log, on page three, of the Expense Report form, and transfer the total meal expense to the "Meal" area on the front of the form. All columns must be completed for the claim to be processed, including the purpose.
- 3.23.3 If a group of employees is eating a meal together, <u>each</u> individual employee <u>is</u>
 responsible for claiming their own per diem. <u>s should request separate itemized receipts</u>
 for submission with their expense claims.
- 3.33.4 Where meals are included in the costs of conferences or meetings, meal expenses will not be reimbursed.
- 3.43.5 The reimbursement of alcohol is not permitted.

Guideline to Meal Expenses:

Reasonable and appropriate actual meal expenses will be reimbursed if the expenditure is incurred when the individual is on Board business.

Meal expenses can be claimed by employees in either of the following methods:

 a) detailed receipts are provided for meals up to the maximum allowable expense (before taxes and gratuity);

Or

b) if the maximum allowable expense per meal is being claimed, no receipts are required.

Meal Allowances: Breakfast \$15.00 Lunch \$20.00 Dinner \$25.00

Total claim not to exceed \$60 (before taxes & gratuity). Maximum gratuity allowed is 15%.

For a full day of meal claims (breakfast, lunch and dinner) individuals have the discretion to allocate the daily three-meal rate among meals.

Registration Fees:

- 4.1 Registration fees for conferences and workshops must be supported by a detailed registration package providing dates and details of meals included and must be supported by original invoices.
- 4.2 If the event registration fee includes meals, employees will only be reimbursed for meals not provided as part of the event package.

	[**approval by Superintendent required if claim affects a central budget account)
 All Staff Reporting directly to 	Director of Education/Superintendent
a Superintendent	•
All Other Board Office Staff	- Manager

- 5.2 Approvers are accountable for their decisions, which should be:
 - Subject to good judgment and knowledge of the situation:
 - Exercised in appropriate circumstances; and comply with the principles and mandatory requirements set out in this regulation.
- 5.3 The Financial Services department will monitor claims for compliance with these regulations and will return any non-compliant claims to the person authorizing the claim for follow-up. The Financial Services department is not authorized to make reimbursement unless the required approvals are present. On all disputed claims, the fFinal decisions on all-expense submissions shall be made by the Superintendent of Business.
- 5.4 Reimbursement will be by means of electronic funds transfer-and not through payroll.
- 5.5 Expenses for a group can only be claimed by the most senior person present expenses cannot be claimed by an individual that are incurred by his/her approver.
 5.5 (e.g. Superintendent who reports to the Director cannot submit a claim that includes the cost of the Director's lunch even if they were at the same event, with the result that the Director would thereby approve his/her own expense).
 Approvers will provide pre approval for expenses that may be incurred in the performance of Board business. Expense claims will require appropriate documentation.
- 5.6-Electronic Expense Reports need to be properly submitted in accordance with the LKDSB Expense Report User Guide. Individuals must submit the approved Expense Report form, with original itemized receipts attached, to the Accounts Payable Department, Chatham Regional Education Centre.
- 5.7 This regulation also applies to expenses incurred through the use of Board Purchasing Cards.

DATE: March 29, 2022

SUBJECT: Indigenous Liaison Committee Report

The February 16, 2022 meeting of the Indigenous Liaison Committee (ILC) was held via TEAMS with Trustee Lareina Rising chairing the meeting.

Minutes from the January 19, 2022 meeting were reviewed and approved.

Trustee Lareina Rising welcomed everyone. Trustee Jane Bryce gave the Traditional Territorial Acknowledgement as part of the opening of the meeting.

Report from the First Nation Communities were received:

Aamjiwnaang First Nation

Education Coordinator Vicki Ware announced the school is open and fully operational. Sugar bush curriculum is being developed and report cards are being sent home this week. The community is working with secondary schools to obtain co-op placements for the students, but the biggest hurdle is finding transportation to return the students home. Aamjiwnaang is working together with Alexander Mackenzie Secondary School to create a better space for our students. Family day activities as well as bullying awareness activities are being offered in the community. Junior Kindergarten registration is open and students will be transitioned from the childcare program into the Junior Kindergarten classroom. Special Education is the area of focus for transportation and strategic planning.

Kettle and Stony Point First Nation

Vice-Principal Bob Bressette reported Hillside School is resuming full time in person learning as well as extra-curricular programs. Report cards will be sent home and the students are happy that the cafeteria will be operational once again. The students in grades 4-8 went ice fishing at the lake and had a wonderful time.

Trustee Lareina Rising provided updates from the Board including an announcement that the land has been purchased for the new K-12 school in Forest. The board wide demographic census will be distributed shortly. The board is looking at Rosedale Public School to re-design the student drop-off area and performing a refresh within the school. Secondary School students are back to a regular semester with four classes. The school board opted to request a parent be present if they wish their

child to be vaccinated at in-school vaccination clinics.

Indigenous Lead Dallas Sinopole shared the online BAP template and briefly explained the different sections and announced that the Indigenous team has started to think about how the money will be spent that the board has received. The board has some deferred money from last year's BAP, so the team has decided that some of it will be used for a student symposium. There are, however, some challenges to keep cohorts separated on the bus. There has been some discussion around possibly rotating it throughout the communities.

Superintendent Lane shared with the group the board is in the final stages of launching the demographic data project. The board has been working with a researcher through OESC that is able to guide the work that is being done. The information was launched this week, and the hope is that students will participate so we can understand who our students are to better meet their needs. The Ministry has offered the board an additional pilot program to hire an Indigenous Intermediate coach that would be supporting students in grades seven and eight to ease the transition into high school. It is exciting to see the secondary students back to a regular semester with four courses which allows them a more traditional experience. Report cards are being distributed and transitions are happening across all schools to help students and transitions will be the focus moving forward.

Administrators from 46 schools submitted reports from across the district and these reports are now being archived on the staff portal for all LKDSB staff to be able to reference.

The next ILC meeting is tentatively scheduled for **Wednesday**, **April 20**, **2022 at 6:00 p.m.** via TEAMS.

DATE: March 29, 2022

SUBJECT: Special Education Advisory Committee (SEAC) Meeting Summary

B

The Special Education Advisory Committee (SEAC) of the Lambton Kent District School Board met on February 17, 2022 via MS Teams. Following is a report of the activities of the meeting:

Business Arising from the Minutes

There was no business arising from the January 20, 2022meeting.

Presentation – Employment Transitions Program

Evan Dawe of Community Living Sarnia-Lambton shared details about their Summer Employment Transitions program which helps individuals with a disability find a paid summer job, and Laura Stokely spoke about their internationally-recognized award-winning JobPath program that was designed to support individuals with a disability who are seeking a permanent, competitive job.

Presentation – Special Incidence Portion (SIP)

Secondary Special Education Coordinator Heather Touzin provided an overview of the Ministry's S.I.P. funding which helps the Board offset some of the costs associated with additional staff supports required when a student has extraordinarily high needs which constitute health and/or safety considerations for the student, or others. It was noted that there's a considerable amount of documentation that must accompany a S.I.P. application. Currently, the Board has 3 elementary and 3 secondary students that require that additional level of support.

<u>Presentation – Education & Community Partnership Program (ECPP)/Intensive Support (IS)</u> <u>Program Review</u>

Mackenzie Horner, Transitions II Program Teacher, shared information about the process the Committee followed when reviewing the ECPP/IS programs. She noted that a survey was developed and distributed to participants of the program, parents/guardians, and

representatives of agencies that support students who benefit from the program. Students who have disengaged from traditional classrooms and who require extra support to stabilize, attend a program that allows them to earn credits and transition back to their home school. Takeaways and action items from the survey include creating a standardized intake and transition process, amplifying the student voice to create positive change, and focusing on maintaining positive connections to support the student's overall well-being and success.

Special Education Plan Review

The System Coordinator of Special Education cited the Sections and Appendices of the Special Education Plan reviewed by the Special Education Team for the February Meeting of SEAC, detailing any amendments/additions or deletions that were made.

Correspondence

At its January meeting, members of the Special Education Advisory Committee agreed to send a letter to the Ministry of Education requesting that Attention Deficit Hyperactivity Disorder (ADHD) to be added to the list of exceptionalities. A letter (copy attached) was approved by SEAC and will be forwarded to Minister Lecce.

SEAC received and discussed the Funding Resource Guide provided by the Provincial Parent Association Advisory Committee on Special Education Advisory Committees (PAAC on SEAC). It was noted that there are some excellent resources available within the Guide for members to utilize in the future.

A letter to the Minister of Education from Waterloo Region District School Board regarding Bill 172 - Fetal Alcohol Spectrum Disorder (FASD) was received, as was a similar letter from the Algoma District School Board. It was noted that there are excellent local supports in place for students with FASD. After a brief discussion, the Committee decided not to take any action.

A letter to the Minister of Education from Renfrew County Catholic District School Board regarding online learning supports and universal design for learning was received, but no action was taken.

A letter to the Minister of Education from the Durham District School Board regarding funding for the Special Incidence Program was received. The S.I.P. presentation made earlier in the evening acknowledged there are funding gaps, as a result, SEAC asked that a letter be drafted to send to the Minister of Education. The letter will be brought back to the March SEAC Meeting for the Committee's review.

DATE: March 29, 2022

SUBJECT: COVID-19 Update

The Lambton Kent District School Board (LKDSB) staff remain committed to supporting the safe operation of schools. As we transition into this new phase of the COVID-19 pandemic, we know that many members of our school communities will have different feelings about the changes moving forward. We have all been working together throughout the past couple of years to ensure safe and healthy schools and we will continue to do so. As in previous phases of the pandemic, we continue to move forward and adjust our health and safety guidance and practices based on the most current directions of local and provincial public health officials.

Mental health and well-being supports continue to be available to students to support the transition. The LKDSB continues to practice cleaning protocols and ventilation measures, including the HEPA units currently in use in occupied spaces, to support the maintenance of clean and safe school environments. Staff and administrators will continue to promote the safe operation of schools in alignment with the current public health directions.

Effective March 14, 2022, the instructions issued by the Ontario Chief Medical Officer of Health related to vaccination disclosure policies were revoked across all sectors.

School boards are no longer required to have a COVID-19 vaccine disclosure policy in place. This includes the collection of proof of COVID-19 vaccinations, medical exemptions or completion of a COVID-19 education program. Asymptomatic screening requirements for individuals who do not provide proof of full vaccination to the Ministry of Education and Provincial Antigen Screening reporting will also no longer be completed.

Beginning March 21, students, staff and visitors are no longer required to wear masks while on school board property or on student transportation, unless directed by the COVID-19 daily screening tool where a person may be directed to wear a mask for ten days because of a positive close contact at home or after international travel. Federal requirements include masking for fourteen calendar days upon return from international travel.

Staff who are required to perform an Aerosol Generating Medical Procedure (AGMP) or required to be in the same room when an AGMP is being performed will continue the use N95 respirators (fit-

tested). The LKDSB is committed to supporting personal choice and ensuring respectful and inclusive practices for those who choose to continue to wear a mask.

Cohorting and distancing will no longer be required in schools and assigned seats and cohorting will no longer be required in student transportation. Elementary students can play and learn together across cohorts, classes and grades, both indoors and outdoors and during lunch and recess. Shared spaces, such as libraries, tech labs, theatres and music rooms can be fully utilized without distancing. Programs across grades, such as reading buddies, can return. Limitations on in-person gatherings and assemblies will also be removed; therefore, schools can plan and host in-person events (e.g., graduation ceremonies, and assemblies). The Ministry of Education has encouraged schools to allow students to congregate, sit in groupings or circles both during class and lunch periods.

The Medical Officers of Health for Chatham-Kent and Lambton Public Health have directed that proof of COVID-19 immunization is no longer required for athletes, coaches, referees or spectators at indoor sporting events.

Students and staff should continue to complete and follow the directions of the daily COVID-19 daily school screening tool. Students, staff and visitors are no longer required to provide confirmation of completion of the daily school screening. Visitors will continue to complete the visitor log when entering an LKDSB school or board office. Students, staff and visitors are expected to integrate appropriate hand hygiene and respiratory etiquette throughout the school day. Schools will continue with enhanced cleaning protocols in place and will continue the use of HEPA filters in the classroom.

Rapid Antigen Tests will be distributed to schools to support symptomatic testing for staff, students and children. Schools can distribute five tests for each staff, student or child following an unplanned absence.

The implementation of enhanced health and safety measures support safer schools and communities and will enable staff and students time to adapt to broader health trends while providing students a more traditional learning experience.

2021 Year

Each year, since the Public Sector Salary Disclosure Act was passed in 1996, the Ontario Government has published a compendium on public sector employees who were paid a salary of \$100,000 or more. Organizations that receive public funding from the Province of Ontario are required to disclose the names, positions, salaries and taxable benefits of these employees. The salary required to be made public under the Act reflects the amount to be reported to Canada Revenue Agency on the employer's T-4 slip for the employee. The T-4 amounts may include components that relate to a prior year and may exceed the employee's annual rate of salary. The taxable benefits listed on the report are the amount shown on the T-4 slip as prepared for the Canada Revenue Agency.

The Act covers city and other local governments, universities and colleges, school boards, hospitals, and Crown agencies. It also applies to the Provincial Government ministries and members of the Assembly. Other non-profit organizations that receive a large share of their funding from the provincial government are covered as well.
