

Rural and Northern Education Fund Spending Report 2022-23

Funding was allocated to school boards based on the number of rural students and two factors measuring the density of rural student enrolment in the board.

School boards must use the funding for rural education based on local needs and report publicly on how the funding is used, such as:

- Improving programming and support services in rural schools
- Continuing the operation of rural schools; or
- Enhancing student transportation options such as late bus runs and mobile e-learning through tablets or Wi-Fi.

For the 2022-2023 school year, Lambton Kent District School Board was allocated \$606,730 and used it to support the operations of the following rural schools:

School	Amount
Aberarder Central	\$8,012
Bosanquet Central	12,083
Brigden	12,016
