 - 1.1 Establish Safe Arrival Procedures appropriate to the organization of their school day (traditional or balanced schedule), and consistent with these Administrative Procedures;
 - 1.2 Inform parents of their responsibility to notify the school on a timely basis if their child is going to be absent or late;
 - 1.3 Review and revise the school's Safe Arrival Procedure annually and communicate the procedures to school staff and parents/guardians, through the school handbook, newsletters, school website, social media, or other appropriate means.
2. Daily attendance shall be provided by each classroom, to the office, promptly after the start of classes in the morning and again at a pre-determined point in the day following a break in the instructional schedule. Principals will confirm with staff the manner in which attendance results will be collected and reported, and where necessary, clarify the staff person responsible. Follow-up phone calls for students with unexplained absence must be made in a timely manner following both rounds of attendance. Current phone numbers for parents/guardians and emergency contacts can be accessed in the Student Information System database.
3. Documentation of calls made and verification of parent or emergency contact having been made shall be recorded in a school-based standardized format.
4. A voice message may be left on a parent phone line. However, the school shall continue to make calls in an attempt to contact a person on the sequenced calling list provided by the parent/guardian.
5. Arrangements may be made for parents to provide notification of absence via voicemail, email, text message, or other appropriate media, including outside of school hours. However, phone contact will continue to be the school's mode of follow-up in the case of unverified student absence.
6. Verification of a student absence by a sibling must include a note signed by the parent/guardian.
7. For field trips departing prior to the start of the regular school day, the teacher shall take attendance and leave the record at the office for the secretary to act on any absences noted.
