

## ADMINISTRATIVE PROCEDURES

**SUBJECT: Use of Guide Dog, Service Dog or Service Animal by a Student**

### **RATIONALE**

In circumstances where a parent/guardian or adult student requests to have the student's Guide Dog, Service Dog or Service Animal accompany the student while attending school or a school-related event, each such request shall be reviewed individually by the Lambton Kent District School Board considering the student's dignity, integration, independence and disability-related learning needs and the accommodations available to enable meaningful access to education.

The process of accommodation approval shall also consider:

- a. The rights of the student requesting the accommodation;
- b. the competing human rights of other students and of staff;
- c. the impact of the Guide Dog, Service Dog or Service Animal on the learning environment; and
- d. the health and safety of all individuals who are or might be in the school, on school grounds or at a school-related event.

### **BACKGROUND – SERVICE ANIMALS**

Service animals have traditionally been highly trained dogs that assist individuals with various tasks of daily living (Guide Dog, Hearing and Signal Dogs, Mobility Assistance Dogs, Seizure Response Dogs).

In most circumstances, a Guide Dog will be a highly trained dog provided to support the orientation and mobility needs of a student Handler who has a diagnosis of blindness/low vision, and the Guide Dog will provide the student Handler with greater independence, dignity and opportunity for integration.

The term Service Animal is used in the *Accessibility Standards for Customer Service* made under the *Accessibility for Ontarians with Disabilities Act* (AODA), to describe an animal that assists an individual with a disability to be able to access goods and services available to the public. A school is not a public space and is not generally accessible to the public. The AODA does *not* apply to a student's use of a Service Dog or Service Animal when accessing education services in school buildings.

- a. Pursuant to the *Code* it is possible that a Service Animal might include different species that provide a therapeutic function, emotional support, sensory function, companionship and/or comfort.
- b. The determination of whether the animal is an appropriate accommodation in the school setting to accommodate a demonstrated disability-related learning need is a decision of the School Board.
  - Such a decision will consider that animals, other than dogs, are not trained by an Accredited Training Organization and may pose a risk to the safety of students and staff and/or may be disruptive to the learning environment and/or may act as a distraction in the learning environment.

Due to risks to safety, and risks of disruption and distraction in the learning environment, the LKDSB does *not* permit training of potential guide dogs and service dogs in the school setting or during school activities.

Every effort will be made to review the documentation and schedule a meeting in a reasonable timeframe.
2. A meeting with the School Team (including Principal, Resource Teacher, Classroom Teacher and other staff, as appropriate) supporting the student, the parent/guardian/adult student and student (as appropriate), may be scheduled to review the request for accommodation documentation from the health practitioner recommending the Guide Dog, Service Dog or Service Animal for the student, the trainer of the Guide Dog, Service Dog or Service Animal and of the Handler, and any other documentation which may contribute to the accommodation process.

3. Each request for a Guide Dog, Service Dog or Service Animal will be addressed on an individual basis, considering:

Dear Parents/Guardians:

On [date] the school forwarded a letter home to all parents advising that a Guide Dog/Service Dog/Service Animal would be introduced to our school community.

This letter is to advise that a Guide Dog/Service Dog/Service Animal will be attending [school] with a student in your child's class / [insert course] in order to accommodate the student's needs pursuant to the *Human Right Code* beginning [insert date].

Your child has participated in an orientation session to explain the role of Guide Dog/Service Dog/Service Animal as working animals, not pets, and to identify how the Guide Dog/Service Dog/Service Animal will be integrated into our school community.

If you have any questions or concerns, please do not hesitate to contact your child's teacher or myself.

### Sample Letter Decision Letter Approving Guide Dog/Service Dog/Service Animal / Service Animal

[Date]

Dear Parent/Guardian/ Adult Student:

A review of the effectiveness of the Guide Dog, Service Dog or Service Animal in supporting the student's learning goals shall be undertaken after the initial first month, cyclically as part of each review of the student's IEP and/or in the event of a Violent Incident Report, and as otherwise deemed necessary by the Principal.

It is your responsibility to meet the Roles and Responsibilities as outlined the LKDSB Administrative Procedure *Use of Guide Dog, Service Dog or Service Animal by a Student*.

If it is determined that the Guide Dog/Service Dog/Service Animal is a necessary accommodation for your child, you will be required to complete Appendix A of the LKDSB Administrative Procedure *Use of Guide Dog, Service Dog or Service Animal by a Student* annually.

If concerns arise regarding the integration of the Guide Dog/Service Dog/Service Animal into the school community and you/your child's class(es), a meeting will be scheduled to review how the issues might be resolved. In the event that the Guide Dog/Service Dog/Service Animal engages in behaviour that is distracting, disruptive or aggressive, including making noise, failing to follow commands, growling or nipping, you, your child or the Handler will be required to remove the Guide Dog/Service Dog/Service Animal from the classroom immediately and you will be required to arrange for the Guide Dog/ Service Dog to be removed from the school. In such a case, alternative options for accommodation will be reviewed.

Thank you for your application. We are looking forward to continuing our partnership with you to foster success for your child.

Sincerely,

Principal

### Sample Letter Decision Letter

#### Declining Guide Dog/Service Dog, Service Animal or Service Animal

[Date]

Dear Parent / Guardians/ Adult Student:

I am writing to communicate the decision regarding your request that your child attend school with a Guide Dog/Service Dog/Service Animal has been denied.

It has been determined that your child is not able to perform the responsibilities of a Handler [and/or the Guide Dog/Service Dog/Service Animal is not trained and may be disruptive or a distraction in the school environment], and reasonable alternative accommodations that respect your child's dignity, encourage independence and facilitate integration are available to support your child's learning needs and access to meaningful educational services.

If you wish to discuss the alternative accommodation measures available to support your child while at school, please contact me to arrange for a meeting.

Should you wish a review of your application request please contact the Superintendent of Education - Special Education.

Sincerely,

Principal
