### Class Delivery:

Dual Credit classes will be presented 3 hours per week in a combination synchronous and asynchronous delivery (hybrid format) to minimize the students' time away from secondary school classes. Dual Credit Faculty will deliver curriculum synchronously from 9:00 – 11:00am on Thursday and Friday mornings and/or 12:00 – 2:00pm on Friday afternoons. For the remaining hours per week, the faculty will prepare an asynchronous lesson (pre-recorded video, lecture, assignment uploaded to D2L) that the student can work on independently for approximately 1 hour during their own free time.

**PLEASE NOTE:** Dual Credit classes run on PD Days and students are expected to attend.
