

Dear Parents/Guardians,

Developed as a result of a long-standing agreement between the Roman Catholic Advisory Council of Brooke Township, Brooke Township Area School Board, Lambton County School Board and the Lambton Kent District School Board, religious programming will be offered to students during non-instructional time.

The optional Catholic education program will be offered during outdoor recess time, on a weekly basis. This instruction will be provided by volunteer, Mrs. Yvonne Koncovy. Programming will be designed and delivered by Mrs. Koncovy, free from input and supervision from the employees of Brooke Central Public School.

Please complete and return this permission form to the school office prior to October 5th, 2023 if you are interested in receiving programming for your child.

Sincerely,

Mr. Adam Townsend
