## Basketball

Congrats to the Intermediate Girls Basketball Team for a hard-fought season. Miss McKelvie was very proud of how they battled each and every game. The Boys Team is preparing for a deep playoff run after a successful regular season. Go Broncos!

## Learning Commons Maker Space

One of the busiest places in the school is our Learning Commons. Thanks to Mrs. Martin, there are always fun learning activities happening. You'll find kids working on everything from the shields we made for the parade in September to coding activities with Ozobots. To be able to offer more crafting opportunities, we're reaching out for donations of the following items:

- paper towel, aluminum foil, saran wrap cardboard rolls
- clean apple sauce and yogurt containers
- stickers
- buttons
- glue guns/glue gun sticks

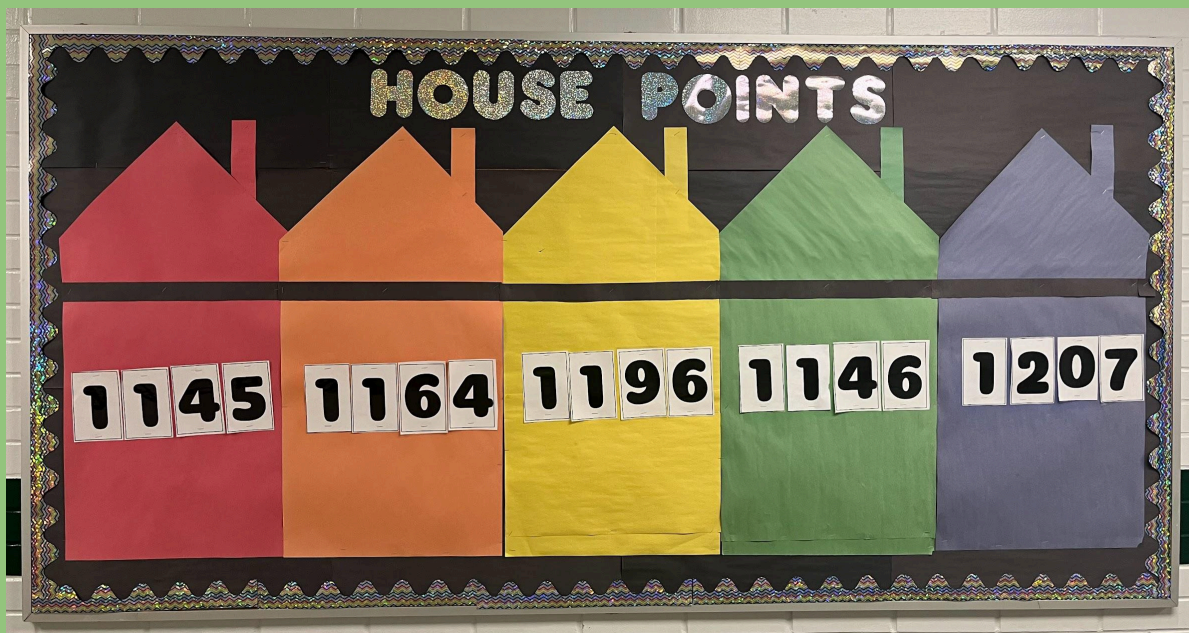

Any of these items would be greatly appreciated. As you can imagine, we go through lots and lots of materials each month with the fantastic activities planned.

## **Parents Guide to Ontario Education System**

From LKDSB:

*The Ministry of Education has launched the [Parent's Guide to Ontario's Education System](#). This new resource will provide parents with helpful information that allows them to have a stronger role and actively participate in their children's education. The guide covers a number of subjects such as knowing how their child is doing in school, learning about suspension and expulsion processes, attending a school council meeting or parent involvement committee meeting, and knowing about specialized supports to help all children succeed.*

*This initiative is part of the government's recent efforts to increase transparency and accountability in our school system. The full guide, translated into 10 different languages, can be found on our Parent/Guardian Resource page: [Parent/Guardian Resources - Lambton Kent District School Board \(lkdsb.net\)](#) This information has also been shared to our board website and synced to each school website, as well.*
