## RDHS Values

Ridgetown District High School encourages all its students, staff and community members to strive to make good choices every day. We know that each day brings new challenges to our members and we work together to help our students to understand the alternatives they have and the consequences each choice may have. The LKDSB Mission Statement – Fostering Success for Every Student Every Day is the focus at RDHS. We work hard to encourage all students to meet their potential by making good choices every day. With that in mind, please come to a staff member if you require assistance for any reason.

We have used the TRIBES agreements as a starting point for stating our values. All behavior is held up to the 5 Values and we expect all students to follow the Values. RDHS members agree to:

### Mutual Respect

- Affirm the value and uniqueness of each person
- Recognize and appreciate individual and cultural differences

### Attentive Listening

- Pay close attention to one another's expression of ideas, opinions and feelings
- Let others know they have been heard

### Participation & the Right to Pass

- Actively participate in all activities OR observe quietly if not actively participating
- Have the right to choose when and to what extent you will participate in any activities other than curricular (meaning: community members may prefer not to share personal information or feelings, or to actively participate in the group at the moment)

### Appreciation & No Put-downs

- Treat others kindly and state appreciations
- Avoid negative remarks, name calling, hateful gestures or behaviours

### Add Value – Let It Go

- Whenever you make a choice, make sure that it makes the situation better
- Understand that mistakes happen and learn from them
- Take every opportunity to better yourself – what is done is done, so move on!

## RDHS Expectations of Students

The following expectations and behaviours are common to students that are successful at RDHS. Please read the list and try to follow them. We want you to do the best that you can – if you need help, please come see a teacher in the guidance area for help.

### Academics

- ✓ I will perform to the best of my abilities in all of my subjects.
- ✓ I will complete and submit all school work as assigned by my teacher, by the deadline.
- ✓ In the event that I experience difficulty, I will ask for help from my teacher or another adult in order to meet my teacher's expectations.

### Behaviour

- ✓ I will treat all people at Ridgetown District High School with respect.
- ✓ I will behave in a manner consistent with the code of conduct and all other expectations as described in the student planner.
- ✓ I understand that staff members are responsible for the safety and wellbeing of the school and I need to follow the directions of the teachers at all times.

### Attendance

- ✓ I will attend all of my classes on time.
- ✓ I will only be absent for valid reasons that are approved by a parent/guardian.
- ✓ I will only leave class with the permission of the teacher.

These skills will help you to be successful in any area after school as well. Now is the time to start to make them a habit!

Good luck!

## Emergency Situations

### Fire

When the alarm rings, ALL students and staff must vacate the building immediately according to the evacuation plan.

### Inclement Weather

A tornado warning or other inclement weather that requires students to take cover will be given over the PA. All students and staff must proceed to the lower level of the building and gather in the designated areas.

### Lockdown

Used for: major incident or threat of school violence within the school or in relation to the school

An announcement is made to "Lockdown" the school over the PA system

- Find a secure location in the school – preferably a locked classroom
- If outside, do NOT re-enter the building
- If the fire alarm is pulled, do NOT leave your safe place
- Wait for further instructions from emergency personnel

### Hold and Secure

Used for: ongoing situation OUTSIDE that is not related to the school occurs i.e. bank robbery, community tragic event, etc.

An announcement is made for "Hold and Secure" over the PA system

- External exits are locked
- Staff will monitor exits to ensure no one enters the school
- Any students on athletic fields should return to the school immediately
- All staff and students within the school are to remain within the classrooms until further notice
- No one is allowed outside; emergency response crews are allowed to enter.
- Wait for further information from the administration of the school or emergency personnel

### Shelter in Place

Used for: when it is necessary to keep all occupants within the school to protect them from an external situation involving environmental or weather-related factors i.e. chemical spills, blackouts, explosions or extreme weather conditions

An announcement is made to "Shelter in Place"

- All staff and students within the school are to report to a classroom.
- All students on athletic fields should return to the school immediately to an area designated by the Principal.
- Exterior doors will be locked
- Windows will be closed
- Ventilation systems will be turned off
- Wait for further information from the administration of the school or emergency personnel

Note: To safeguard students and staff inside the building, exterior doors need to remain closed during an emergency situation. Efforts to pick-up children can complicate already challenging circumstances, so parents are asked to wait until conditions improve. In the meantime, coordinated efforts to communicate ongoing updates to families and the community will be made. Once the all-clear has been given, access to the school can once again be provided.

## Hints for Parents

1. Education is a team effort between students, parents, and the school. Parents should ensure that the student's annual education plan is reviewed.
2. If a student has been absent, please send a dated note indicating the reason for the absence and the length of the absence. If a student is to be excused early during the school day, please send a note indicating the reason and the time the student is to be excused.
3. There is no doubt that a well-rested student performs better at school, so please ensure that students get an adequate amount of sleep.
4. Young people need a proper diet to function well at school; skipping meals, like breakfast, will not help their academic performance.
5. Try to limit a student's out-of-school activities during school evenings and encourage the formation of good study habits at home. Even if a student does not have assigned homework, he/she can be reviewing work studied previously.
6. If a student appears to be having a problem at school, try to find out what the problem is before it becomes a serious problem.
7. **Please plan your holidays so that they do not conflict with regular school days or examination days. Missing an exam without permission of administration may result in a mark of 0% on the exam and may result in the credit not being earned.**
8. Student dress is important at school; what a student wears can affect his/her attitude at school and the moral tone of the school. A few students might need reminding about the appropriateness of dress; tops with objectionable writing are not appropriate, nor are "short" shorts, etc. **We emphasize the idea that a school is a place of learning and ask your help to ensure that students dress accordingly.** Please see the dress code in this student planner.
9. Please read through the code of behaviour that is included in this planner. It was developed co-operatively by parents, students, and teachers, and presents the official policies of the school on all aspects of student behaviour.
10. Attendance is important. Students are evaluated on a day-to-day basis. Much of the learning occurs during interaction with the class. Students often work with partners and in groups for presentations and partner learning. When a student is absent, the class organization is affected. Quizzes, labs, projects, and the development of communication and thinking skills are activities that require the students to be in school. The Ministry has stated:  
*"...where attendance has been identified as an essential component of a course and where a student, with his/her parents, has been appropriately counseled and provided with support and direction to promote regular attendance in the course, and where the student is still unwilling to attend regularly, such a student will fail to achieve credit for the course."*

### Student Services

Counsellors in Student Services offer a wide range of academic and personal counselling services. Students may request an interview with a counsellor at any time, by making an appointment in the Guidance Office. In most cases, an appointment can be scheduled that day. Parents are invited to phone the counsellors, during school hours, at 674-5449 if they have any concerns.

All discussions between a counsellor and a student are held in strict confidence. Your counsellors are available and qualified to assist you in resolving personal and academic concerns.

- **In-School Information** such as course selection, educational goals, study methods and optimum achievement, record of credits and transcripts.
- **Vocational Choices** including both information about careers and understanding of oneself in relation to career possibilities (e.g., computerized interest test – Jackson Vocational - JVIS).
- **Educational Opportunities and Requirements** for post-secondary education, including apprenticeships, community college and university, scholarships and financial aid.
- **Interpersonal Relationships:** While counsellors attempt to see all students twice a year, they depend on student requests to enable them to be of assistance when they are most needed. In some cases, outside community agencies may be asked to assist with personal counselling issues.

## School Health Services

There is a public health nurse available to each school in Chatham-Kent. Your Public Health Nurse acts as a link to all Public Health Unit programs and resources. Public Health services aim to promote healthy Living amongst the student population. The role of the Public Health Nurse at RDHS is to provide resources, consultation and referrals in regards to the following health topics:

- Sexual health information
- Smoking cessation – quit smoking programs
- Immunizations
- Birth control, pregnancy and STI testing
- Healthy eating and physical activity promotion

These services are available to students and staff at RDHS every other week throughout the school year. Students are welcome to arrange confidential and private appointments with the Public Health Nurse at school as needed.

Your Public Health Nurse can be reached at:

Chatham-Kent Public Health Unit	519-355-1071 – ext. 5901
Fax	519-355-0848
E-mail:	<a href="mailto:cksexualhealth@chatham-kent.ca">cksexualhealth@chatham-kent.ca</a>
Website:	<a href="http://ckphu.com/">http://ckphu.com/</a>
Facebook:	<a href="http://www.facebook.com/CKPublicHealth">www.facebook.com/CKPublicHealth</a>
Twitter:	<a href="http://www.twitter.com/CKPublicHealth">www.twitter.com/CKPublicHealth</a>

## Immunizations

The Public Health Nurse is also responsible for ensuring that all students are up to date with their vaccinations. Yearly immunization clinics are held at the school. Students not returning requested immunization information to the nurse or not updating their vaccinations as required will be suspended from school under the *Immunization of School Pupils Act, 1990*.

Why does Public Health take a hard line on Immunizations?

There is no kidding around when it comes to diseases like polio, tetanus and measles. These preventable diseases are serious and often fatal. That's why Public Health Units are legally required to obtain up to date immunization records on children and youth attending schools and daycares.

Every year, Public Health Nurses send out notices to parents of the students that have incomplete immunization records. This could mean that the child has either not had the vaccine or that the Health Unit has not been notified of the name and date that the shot was received. Doctors do not report vaccines to Public Health. It is the responsibility of the parent.

If you receive a notice requesting immunization dates, please contact Public Health at 519-355-1071 ext. 5900. If this information is not received, Public Health is required to issue a school suspension until the immunization record is updated.

Let's all work together to keep our children healthy and our schools disease-free!

## Student Behaviour Expectations

It is the policy of the Lambton Kent District School Board to ensure positive, safe, learning and working environments for all students, staff, parents/guardians and visitors. Board and school codes of conduct will apply whether persons are on school property, on school buses, at school-authorized events or activities or in other circumstances that could have an impact on the school climate. More information on can be found at

<https://www.lkdsb.net/Board/PoliciesRegulations/Policies/Safe%20Schools%20Regulations.pdf>

## Code of Conduct

Lambton Kent District School Board schools promote a safe and caring learning environment that is strengthened by embracing diversity, and respecting self, others and the world around us. All students, staff, families, and community partners have the right to be safe and to feel safe in their school community; a community in which everyone commits to positive behaviours and interactions, and where conflict and differences are addressed in constructive and, mutually respectful ways.

Safe, caring, and inclusive school environments afford students the best opportunity to be fully engaged with their learning and create protective factors for student well-being. These environments are strengthened through programs and activities that focus on the building of healthy relationships, promoting equitable and inclusive approaches, fostering character development and positive peer relations, and affording opportunities for students to demonstrate leadership.

With the right to be safe and feel safe comes the responsibility on the part of everyone to contribute to a positive school climate, and to be accountable for actions that put the safety of others or oneself at risk.

This Code of Conduct applies to all individuals who participate in the school community whether they are on school property, on school buses, or at school-authorized events or activities.

- All participants in the school community are to be treated with respect and dignity, especially those in positions of authority, regardless of race, ancestry, place of origin, colour, ethnic origin, citizenship, religion, gender, sexual orientation, age, or disability and other protected areas under the Ontario Human Rights Code.
- All participants in the school community share responsibility for maintaining an environment where conflict and difference can be addressed through non-violent means in a manner characterized by respect and civility.
- Behaviour which is aggressive or threatening in any way has no place in LKDSB school communities.
- Student achievement depends upon the provision of safe and caring learning environments. All participants in the school community share responsibility for ensuring that their decisions and actions contribute rather than detract from the sanctity of these environments.
- Personal health and well-being are enhanced through awareness and appropriate choices. They are further safeguarded through the application of prevention and intervention strategies and the involvement of community agencies including the police in responding to situations including but not limited to those involving elevated risk of harm by a student to self or others, as well as to discourage the use of alcohol, illegal drugs and, except by a medical cannabis user, cannabis.

# Ridgetown District High School 7-12

---

- Responsible citizenship involves appropriate participation in the life of the school community. Active and engaged citizens are aware of their rights, but more importantly, they accept responsibility for protecting their rights and the rights of others.

The Standards of Behaviour and Roles and Responsibilities are outlined in the corresponding LKDSB Administrative Procedure Code of Conduct

(<https://www.lkdsb.net/Board/PoliciesRegulations/Policies/Code%20of%20Conduct%20AP.pdf>)

- respect and comply with all applicable federal, provincial, and municipal laws;
- demonstrate honesty and integrity;
- respect differences in people, their ideas, and their opinions;
- respect the need of others to work in an environment that is conducive to learning and teaching, including by ensuring that personal mobile devices are only used during instructional time for the educational and permitted purposes in the following circumstances
  - for educational purposes as directed by an educator
  - for health or medical purposes
  - to support special education needs
- cell phones, cameras and other digital imaging and/or audio recording devices are NOT permitted to be used in change rooms or washrooms at any time.
- treat one another with dignity and respect at all times, and especially when there is disagreement;
- respect and treat others fairly, regardless of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status, or disability and other protected areas under the Ontario Human Rights Code;

- not swear at a teacher or at another person in a position of authority.

## Safety

All members of the school community including students, parents and guardians, teachers and other staff members, volunteers and visitors must NOT:

- engage in bullying behaviours;
- commit sexual assault;
- traffic weapons or illegal or restricted drugs;
- give alcohol or cannabis to a minor;

## Student Expectations

Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others, and for the responsibilities of citizenship through acceptable behaviour.

Respect and responsibility are demonstrated when a student:

- comes to school prepared, on time, and ready to learn;
- shows respect for himself or herself, for others, and for those in authority;
- refrains from bringing anything to school that may compromise the safety of others;
- follows the established rules and takes responsibility for his or her own actions;
- works in an environment that is conducive to learning and teaching, including by ensuring that personal mobile devices are only used during instructional time for the educational and permitted purposes in the following circumstances
  - for educational purposes as directed by an educator
  - for health or medical purposes
  - to support special education needs
- cell phones, cameras and other digital imaging and/or audio recording devices are NOT permitted to be used in change rooms or washrooms at any time.

## Parent Expectations

Parents/guardians play an important role in the education of their children and can support the efforts of school staff in maintaining a safe and respectful learning environment for all students.

Parents/guardians fulfill their role when they:

- show an active interest in their child's work and progress;
- communicate regularly with the school;
- help their child be neat, appropriately dressed, and prepared for school;
- ensure that their child attends school regularly and on time;
- promptly report to the school their child's absence or late arrival;
- show that they are familiar with the provincial Code of Conduct, the Board's code of conduct, and school rules;
- encourage and assist their child in following the rules of behaviour;
- assist school staff in dealing with disciplinary issues involving their child.

## Community Partners and the Police

Through outreach, partnerships already in place may be enhanced and new partnerships with community agencies and members of the community (e.g., Aboriginal Elders) may also be created. Community agencies are resources that Boards can use to deliver prevention or intervention programs. Protocols are effective ways of establishing linkages between boards and community agencies, and of formalizing the relationship between them. These partnerships must respect all applicable collective agreements.

## Bullying

Bullying is typically a form of repeated, persistent, and aggressive behaviour that occurs in a context of a real or perceived imbalance of power between individuals. In any form, bullying adversely affects a student's well-being and ability to learn, undermines healthy relationships, and compromises school climate.

"Bullying" means aggressive and typically repeated behaviour by a pupil where,

- (a) The behaviour is intended by the pupil to have the effect of, or the pupil ought to know that the behaviour would be likely to have the effect of,
  - i. Causing harm, fear or distress to another individual, including physical, psychological, social or academic harm, harm to the individual's reputation or harm to the individual's property, or
  - ii. Creating a negative environment at a school for another individual, and
- (b) The behaviour occurs in a context where there is a real or perceived power imbalance between the pupil and the individual based on factors such as size, strength, age, intelligence, peer group power, economic status, social status, religion, ethnic origin, sexual orientation, family circumstances, gender, gender identity, gender expression, race, disability or the receipt of special education

Bullying behaviour may occur through the use of physical, verbal, electronic, written, or other means.

Bullying by electronic means (cyber-bullying) includes but may not be limited to:

- a. Creating a web page or a blog in which the creator assumes the identity of another person;
- b. Impersonating another person as the author of content or messages posted on the internet;
- c. Communicating material electronically to more than one individual or posting material on a website that may be accessed by one or more individuals.

## Aggressive Behaviour:

May be intentional or unintentional, direct or indirect. It can take many forms, including physical, verbal, and social. If aggressive behaviour is physical, it may include hitting, pushing, slapping, and tripping. If it is verbal, it may include name calling, mocking, insults, threats, and sexist, racist, homophobic, or transphobic comments. If it is social or relational aggression, it is more subtle and may involve such behaviours as gossiping, spreading rumours, excluding others from a group, humiliating others with public gestures or graffiti, and shunning or ignoring. Social aggression may also occur through the use of technology.

Students are responsible to:

1. Refrain from bullying behaviour.
2. Report incidents of bullying behaviour to the principal, teachers, or other school staff.
3. Refuse to participate in circumstances involving bullying behaviour.
4. Remove themselves immediately from circumstances involving bullying behaviour.
5. Seek adult intervention for circumstances involving bullying behaviour

## Progressive Discipline

Progressive discipline is an approach to shaping student behaviour that involves a continuum of interventions, supports, and consequences. Progressive discipline is corrective and supportive, rather than solely punitive, thus allowing students to learn from their experiences in developmentally appropriate ways.

A teacher or the principal or designate, as appropriate, will utilize early and/or ongoing intervention strategies to prevent unsafe or inappropriate behaviours and to guide students to more appropriate choices. For students with special education needs, this includes referring to their Individual Education Plan (IEP) and consulting with appropriate staff to determine best possible approaches.

### Interventions may include:

- Contact with student's parent(s)/guardian(s)
- Oral reminders
- Review of expectations
- Written work assignment addressing the behaviour, that has a learning component
- Volunteer services to the school community
- Conflict mediation and resolution
- Peer mentoring
- Referral to counseling; and/or consultation

The principal or designate may also choose to use a progressive discipline strategy to address the infraction if a student has engaged in inappropriate behaviour and it is the first time that the student has engaged in such behaviour.

### Interventions may include:

- Meeting with the student's parent(s)/guardian(s), student and principal
- Referral to a community agency for counseling or intervention related to anger management, substance abuse, or other
- Detentions
- Withdrawal of privileges
- Withdrawal from class
- Restitution for damages
- Restorative practices
- Safe schools transfer

In some cases:

- a. Suspension may be considered an appropriate progressive discipline step
- b. Contact with CAS where required
- c. Contact with police services where required

A bias-free approach is one that respects all people and groups, and reflects human rights principles. A bias-free approach helps build and foster a positive, safe, accepting, and respectful school culture and climate and helps students and their families, school staff, and other members of the school community.

## Equity & Inclusion

It is a public policy in Ontario to recognize the dignity and worth of every person and to provide for equal rights and opportunities without discrimination based on race, national or ethnic origin, colour, religion, sex, gender, sexual orientation, age or mental or physical disability. RDHS – 7-12 is a school where Lesbian, Gay, Bisexual and Transgender and Questioning (LGBTQ) youth can learn and develop in a safe, harassment-free, equity-based environment.

All members of the RDHS 7-12 community are expected to follow the Code of Human Rights. It is the **law** in the Province of Ontario. Discrimination is against the law. Slurs, jokes, name-calling, graffiti, insults, threats, humiliation, intimidation, exclusion and written or physical abuse including fighting and any other form of harassment are a form of discrimination.

*Examples include:*

Verbal Harassment – includes derogatory, abusive and undermining comments; demeaning jokes, sexual suggestions or innuendo; threats and racial or ethnic slurs.

Physical Harassment – disorderly behaviour, unnecessary touching, impeding or blocking movement; and interference with work.

Visual Harassment – derogatory or degrading posters, cartoons, graffiti, gestures, written or computer text; sexually suggestive pictures or images, including such images on a computer screen.

Sexual Harassment – verbal abuse or threats; unwelcome remarks, jokes, innuendos or taunting; displaying pornographic or other offensive or derogatory pictures; practical jokes which cause awkwardness or embarrassment.

## Fair Notice Communication Regarding Violence Threat Risk Assessment Protocol

The Lambton Kent District School Board is committed to providing safe learning environments for all students, staff, school visitors, and community members. When a student behaves inappropriately, principals will most often employ progressive discipline strategies to help a student take responsibility for their actions, learn from their mistakes, and make better choices in the future.

In more extreme cases however, when a student's behaviour poses a potential threat to their own or others' well-being, the Community Violence Threat Risk Assessment Protocol (VTRA) supports principals in taking further steps to safeguard everyone.

The VTRA protocol outlines how a school responds immediately to threatening incidents including but not limited to: possession of a weapon or replica weapon, bomb threat or plan, verbal or written (including electronic) threats to harm oneself or others, other threats of violence, and fire setting.

The initial response team is likely to include the Principal / Vice-Principal, police, and board staff. Should conditions warrant, a Community Threat Assessment Team will be convened. This community team includes representatives of community agencies who work with schools and boards to keep our students and staff safe, such as local police and children's mental health organizations.

Parents and guardians will be notified if their child will be discussed through the Community Violence Threat Risk Assessment Protocol. If parents/guardians cannot be reached, or if they choose not to provide consent, but a concern for safety still exists due to threatening behaviour, the threat assessment may still proceed. Personal information shared throughout this process will respect and balance each individual's right to privacy with the need to ensure the safety of all.

As always, student safety is our first priority. This notification is being provided via avenues such as school newsletters, and school and board web sites as fair notice to parents and guardians of the existence of the VTRA Protocol and its application if situations warrant. If you have any questions regarding the Lambton Kent District School Board Community Violence Threat Risk Assessment Protocol, please contact your school principal as the first step.

## General Expectations

---

### Accidents and Illnesses at school

Students involved in or witness to an accident resulting in an injury must report immediately to a teacher in charge and/or the office. Any students who become ill while in school must report to the office when able. Leaving school without reporting is unacceptable. More importantly, a dangerous situation to the student's health may exist. The school can readily arrange for medical help.

---

### Accident Insurance

The insuremykids® STUDENT ACCIDENT INSURANCE is designed to provide supplemental coverage to Health coverage and is recommended for all students especially those who participate in competitive sports or other clubs. Early in September, information for student accident insurance for the year will be sent home with your student. All claims for accidents must be sent by the student directly to the insurance company (with a copy to the principal).

---

### Adult Status

A student 18 years of age or older may assume certain responsibilities accorded an adult. Adult students assume full responsibility for their schooling and are subject to the same expectations as those students under the age of 18. If a parent/guardian would like to continue to speak to the school about a student 18+ years, the student must give written consent to the office.

---

### Attendance Policy

The Ministry of Education and Training suggests that a student must have at least 110 hours of classroom instruction before a credit is granted. There are no partial credits granted for high absenteeism. Students, who are absent for more than 10 classes, risk losing their credits. Therefore, excessive absences may result in detentions being assigned and/or progressive discipline being applied. On the 15<sup>th</sup> absence, the student may be withdrawn from the course.

All class work missed must due to absences be made up by the student. It is the responsibility of the student to make arrangements with the subject teacher to complete work missed.

### Signing Out, Signing In Procedure for Leaving School during the Day

Students who need to miss scheduled periods during the day must report to the office prior to 7:55 am with a written note to be excused properly. When a parent's note has not been received, the school will be obliged to contact the parent prior to allowing the student to leave the school if the student is under 18.

# Ridgetown District High School 7-12

---

When a student goes home at noon planning to return to school, but for some reason cannot, we ask that the student or parent call the school prior to 11:30 that afternoon.

Students 18 years old and over may sign out, but **if they initially attend a class they must stay for the entire class. No leaving during a class is allowed.**

Students who leave without signing out will be considered truant.

Students must sign in at the office on their return to the school.

## Admit Slip and Attendance for Missed Days

Before being re-admitted to class following an absence, the student must report to the office, with a note, to obtain an admit slip. Students under the age of 18 must bring a note from a parent or guardian certifying the date and reason for the absence, that is signed by a parent/guardian. Students 18 years of age or older are required to sign in with the Attendance Clerk in the office by 8am.

## Absence from Tests, Presentations or other Assessments

Students, who miss scheduled term tests or formal assessments without a valid reason, including truancy, may receive a “zero” for that test or assessment. There will be no opportunity for makeup tests or makeup assessments. If a student misses a scheduled term test or a formal assessment for a valid reason (medical, family emergency) they may be given a “non-grade”. An opportunity to complete a makeup test or assessment may be provided.

**Please plan your holidays so that they do not conflict with tests or exam days.**

## Absence from Exams

See Examinations/Final Assessments

## Extended Leave/Vacation

All requests for extended leave from school must be made in writing to school administration, on the appropriate form, at least one week prior to the planned absence. The approval process includes notification to the teachers.

## Lates

Students are expected to be in their classroom before the bell signals the class to begin. Any student that arrives after the bell will be recorded as late. If the student arrives within the first 10 min, the teacher will assign the late. If they are later than 10 minutes, the student must get a “late slip” from the Attendance Clerk in the office. If a pattern of tardiness develops, subsequent lates will result in progressive disciplinary actions.

## Bicycles, Skateboards, Roller Blades, and Scooters

Bicycles and scooters must be locked at the rack and not brought into the school. Skateboards can be carried to the student's lockers to be left there for the day. Bicycles, skateboards and scooters cannot be used on school property in any capacity. Roller Blades must be removed before entering the school, and should not be used for performing stunts on school property.

Bus transportation is provided for all students who live outside the town of Ridgetown. Riding a bus is a privilege that may be withdrawn for improper conduct. Shoving, pushing or butting is not tolerated.

As RDHS 7-12 students, your conduct should not be detrimental to the safe operation of the bus or the welfare of younger students. You will stay back from the curb when the buses are arriving. Care and common sense on the part of everyone will ensure that there are no accidents.

## Cafeteria -Eating and Drinking at School

Cafeteria service is available during regular school days. Please keep in mind the following when using the cafeteria:

- It is not to be used during class time, unless on spare
- Use the cafeteria with care, courtesy and respect for others.
- Sit on the chairs provided.
- Place garbage and recyclables in the appropriate containers.

Food can be eaten elsewhere in the school as long as the area is kept clean. Students not respecting school property while eating may be required to eat in a supervised area in the future.

---

## Classroom Discipline

Students are expected to follow the classroom expectations for each teacher. If they cannot follow the expectations, then the student may be referred to the Curriculum Leader or Administration for further progressive discipline. If the student has been sent out of class, they must come directly to the office. If not, further discipline could include being withdrawn from class or being suspended from school. Parents will be contacted.

---

## Contacting Students during the Day

Students can be contacted for emergency reasons through the school office. If a family situation requires the use of a cellphone, or other communication device, the student must see administration for approval.

Parents are asked to respect this policy and contact their child by calling the main office. Students will only be called out of class for an emergency that warrants the disruption of instructional time; otherwise, office staff will ensure that messages are delivered to students in a timely fashion.

If texting is used by parents as a means of communication, parents are asked to ensure that students respond to parent's texts outside of the classroom.

## Dress Code

The school is a public work place. The student's dress should meet with generally accepted standards of the community. Clothing is to be free of profane language and any statements and pictures or connotations regarding sex, alcohol, tobacco, other drugs, hate or violence and cover all undergarments. Suggestive and revealing clothing are not appropriate clothing in workplaces and therefore are not appropriate for wear at school. The decision of what to wear is a learning experience; however the final decision on matters of taste and appropriateness rests with the school administration.

For health reasons, footwear must be worn at all times while in the school.

Hats and headgear:

1. Students are allowed to wear their hats in the halls.
2. It is teacher discretion if hats are allowed in their classrooms.
3. Hats need to be removed during the following circumstances: National Anthems, Assemblies, guest speakers, Funeral Processions, other situations as asked by staff.
4. Bandannas, sweat/head bands, must not be worn in the school from arrival in the morning until leaving the building after school is dismissed.

---

## Special Circumstances:

1. Additional dress requirements will also apply in the shop areas, technical areas, science areas, family studies areas, co-operative education placements, and physical education areas/classes.
2. Students must follow the requirements as stated by the teacher or they may be removed from the classroom due to safety reasons.
3. Exceptions may be made to accommodate established religious/cultural practices and/or special school events.

Failure to abide by these expectations will result in parent contact and progressive disciplinary action.

## Examinations/Final Assessments

Five days are allocated at the end of each semester for the scheduling of formal exams and other final evaluations. This includes an allowance for inclement weather. Each school year these dates are clearly indicated (with an "E") on the LKDSB School Year Calendar which is posted online. Each secondary school will communicate its final exam schedule prior to the exams beginning by posting the schedule throughout the school and on the school website. The exams will be conducted in accordance with the Ontario Education Act, associated Regulations, and Ontario Schools 2016. They will also be implemented in accordance with the LKDSB Policies on Attendance and the current LKDSB Assessment and Evaluation Guidelines. If a major cultural or religious holiday occurs during an exam period, then LKDSB Senior Administration will provide direction to Principals.

**Absences:** All students are expected to write all of their final exams and other evaluations. Sometimes there are exceptional circumstances which may necessitate the rescheduling of a student's final exam (see approved absences below). Only the school Principal or their designate can approve an absence or rescheduling date during the scheduled exam days.

Approved Absences 	Non-Approved Absences 
<ul style="list-style-type: none"> <li>✓ bereavement</li> <li>✓ legal matters (as supported by court documents)</li> <li>✓ student's personal illness – supported by a medical note</li> </ul>	<ul style="list-style-type: none"> <li>✗ family vacations or weddings</li> <li>✗ sporting events</li> <li>✗ early exit to seek employment, mission trips or summer camps</li> <li>✗ any other circumstance not listed in approved absences</li> </ul>

**Notification Process:** Any student (18 years old and over), or the parent/guardian of student under the age of 18, who may be absent from an exam should contact the school Principal as soon as possible prior to the scheduled exam date and time and provide documentation as may be requested. Any exceptional circumstance that might result in a request for the rescheduling of a final exam should be submitted to the school Principal at least two weeks prior to the scheduled exam date and time.

All efforts will be made to reschedule an exam (by 2:30 on the last scheduled day of exams) if necessary. Any absence from an exam for any reason that has not been approved by the school Principal can result in a mark of zero and could impact negatively on credit achievement and graduation requirements. Teachers, in consultation with their Principal, will use their professional judgement in establishing a final course mark for students.

## Lockers

Lockers are the property of the School Board and are available for your use. They are not your private property. They are subject to inspection by school officials and/or the police at any time. All lockers must have a school-supplied, combination lock, which is to be locked at all times. Only you and the office should know the combination for the lock. Lockers may not be shared by students nor is unauthorized switching of lockers among students allowed.

A record of the lock combination must be filed with the main office. Do not write on the lockers. Disobeying these rules may result in locks being removed or locker privileges cancelled. Lockers should be kept neat and tidy.

Rude and suggestive pictures cannot be displayed in the locker. You must not put stickers on the inside of your locker door.

Large sums of money and/or valuables should be left in the main office, not your locker.

---

## Lost and Found

All lost and found articles should be turned into the office, with the exception of gym equipment which is turned in to the physical education office. Please check the office if you have lost anything.

The school will not assume responsibility for lost or stolen items.

Items will be retained in the office until the end of the semester after it is turned in and then will be given to charity.

## Parking Student Cars and Motorcycles

**Student parking is a privilege, not a right.** The student parking lot is on the southwest corner of Harold and Cathcart streets. You are asked to use this area rather than the streets around the school.

No one is to be sitting in vehicles or loitering in the student parking lot during school hours.

Motorcycles may be parked on the paved shoulder of the road on Harold Street beside the staff parking lot. Students must drive their cars and motorcycles in a safe and careful manner and are not to drive around the school during class time. Inappropriate handling of motorized vehicles will result in a loss of parking privileges and police involvement.

## Smoking

The Smoke-Free Ontario Act, 2017 was proclaimed in Ontario on Wednesday, October 17, 2018. This law prohibits the use of tobacco, electronic-cigarettes (e-cigarettes) to vape any substance, and smoking cannabis (medical and recreational) at school and within a 20m distance of the perimeter of the school on public property (including sidewalks and roads) (<https://www.ontario.ca/laws/statute/17s26>). This means that visitors, staff and students are no longer able to smoke and/or vape any substance anywhere close (within 20m) to the school building, grassed area, athletic field or parking lot. The previous bylaws allowed smoking on sidewalks, but this new provincial law does not. This law also requires that all ashtrays and similar items be removed (i.e. the outdoor ashtrays will be removed). If you wish to have more information on how we are going to respect this law, please contact the main office.

To help individuals that may find it difficult to remain smoke/vape free throughout the day, the Chatham-Kent Public Health Unit is willing to provide the following services upon request at RDHS:

- Private Smoke Cessation Counselling
- Cognitive Behaviour Therapy to increase motivation
- Problem Solving strategies to assist with quitting
- Lung Association Group Sessions for 4-6 weeks
- Products to assist with nicotine withdrawal

Please see the office if you would like to discuss assistance with smoke/vape reduction and going smoke-free. We will help you any way we can.

To ensure compliance with this new law, administration at RDHS will be enforcing the no smoking/vape restrictions as set out in the Smoke-Free Ontario Act and the LKDSB policies (<https://www.lkdsb.net/Board/PoliciesRegulations/Policies/Smoke-free%20Environment.pdf>). Visitors, staff and students may also be referred to the Chatham-Kent Public Health Unit Tobacco Enforcement Officer, which may result in a significant fine.

## Study Periods (For 11's & 12's)

## Synervoice

In order to improve communication between RDHS and parents, the office uses an automated call home system called Synervoice. This computerized system will inform parents of a student's absences and lates during the school day. Important information may also be sent home by Synervoice throughout the year.

---

## Textbooks

All textbooks are supplied free to the student by the school. These must be returned in good condition at the end of each semester or the student must pay for the book. The student's signature upon issue and return of the text will serve as the only receipt. All lost textbooks are charged at the full price as they need to be replaced.

---

## Trespassing - Private Property

As a student of this school, you are expected to respect the property of others who live in the area of the school or on streets traveled by you on your way to school.

---

## Visitors to the School

All visitors, including individuals authorized to be on school premises, must report their presence to the school office and obtain permission to remain on the school premises. A person is not permitted to remain on school premises if the person fails to obtain permission as noted, unless the principal has pre-authorized an alternate procedure. Such pre-authorized procedures may apply to a person employed or retained by the board or a person who is otherwise on the premises for a lawful purpose (e.g. delivering mail, voting, approved Community of Use activities, etc.).

Authority to be on school premises does not entitle a person to have access to all areas of the school premises.

Despite being an authorized person to be on school premises (e.g. a parent or student), under the Access to Premises Act a person is not allowed to remain on school premises if, in the judgment of the principal or designate, his/her presence is considered detrimental to the safety and well-being of a person on the premises.

A principal has the duty under the Education Act **to** refuse to admit to the school or classroom a person whose presence in the school or classroom would, in the principal's judgment, be detrimental to the physical or mental well-being of the Pupil. The Trespass to Property Act also provides authority to deal with a person not acting in a lawful manner such as entering premises when entry is prohibited or failing to leave after being directed to do so by the occupier of the premises or a person authorized by the occupier. Such matters under the Trespass to Property Act are normally referred to a police officer.
