Cold Weather Precautions

Weather and temperature this time of year can be quite unpredictable and is therefore monitored closely by the Lambton Kent District School Board and individual schools. When extreme weather and temperatures occur, schools will follow safety protocol and keep students indoors during recesses. Please check the weather and ensure your child(ren) is dressed in appropriate clothing each day.

Labelling of Clothing

Each year countless items end up in our Lost and Found - ultimately many of these items are never claimed. Any unclaimed items will be donated to various community agencies in need. Labelling your child's clothing is the BEST way to ensure that "found" items can be returned to the rightful owner.

Zone Township Central School is in **Zone 6**. Listen to the radio for bus delays and cancellations or check <http://www.schoolbusinfo.com> for regular updates. If buses are cancelled in the morning due to fog, they **will** run in the afternoon. If buses are cancelled in the morning due to snow and icy road conditions, they **will not** run in the afternoon and parents and guardians must make arrangements for picking up students at the end of the day.

Bus Zone 6 - Inclement Weather

The Lambton Kent District School Board has administrative procedures in place to assist parents and guardians on mornings when dangerous weather conditions exist. Parents should listen to their local radio station or check the transportation website at www.schoolbusinfo.com or download the MySBI Bus Status app by CLASS. If buses are cancelled in the morning due to fog, they **will** run in the afternoon. If buses are cancelled in the morning due to snow and icy road conditions, they **will not** run in the afternoon and parents and guardians must make arrangements for picking up students at the end of the day.

Did you Update your Bus App to the new MySBI Bus Status?

In August, all bus families were informed that the old app on phones would not automatically update to the new version of MySBI Bus Status. To receive updates for weather cancellations and bus delays, the new app must be downloaded from the App/Google Play Store. If you have not updated your app, feel free to contact the school for step-by-step instructions.
