## School Council

We are looking for new members to collaborate on school wide goals.

Our next meeting is **November 15th @ 6:30pm in the Learning Commons**. All welcome. If you have any questions please call 519-337-3295.

## Friendly Reminder!

Cooler temperatures have arrived. Please ensure your Badger leaves for school dressed for the new drop in temperature. Also, this is also a good time to write your child's name inside their winter clothing

## Student Accident Insurance

The LKDSB does not provide accident coverage for student injuries that occur on school property or during school activities, including extracurricular activities.

If a student is injured, parent(s)/guardian(s) are responsible for any costs not covered by their Government Health Insurance Plan or their employer's health care plan. The board encourages all families to review this or other available Student Accident Insurance plans, especially those with a child(ren) participating in medium to high-impact physical activities (both during school and outside of school hours).

The insuremykids student accident insurance program offers three plans with a variety of benefits and affordable rates. Their most affordable plan is available for as little as \$17 per year. All plans provide 24/7 coverage. For more information or to purchase insurance, please visit [www.insuremykids.com](http://www.insuremykids.com) or call 1-800-463-5437.

## Nut Aware School

Student Allergies - Nuts, including Peanuts. Please do not send items containing any kind of nut or traces of nuts with your child to school.
