

Great Lakes Secondary School Prom 2018

I understand that all school rules apply to prom.

I understand that the consumption of alcoholic beverages prior to prom is not permitted.

I understand that if the principal or vice-principal has a reasonable suspicion that I have consumed alcoholic beverages of any quantity prior to prom then

- I will not be admitted to prom (or I will be removed from prom).
- I will not receive a refund on my prom ticket.
- The police will be involved and I could be charged with trespassing, intoxication in a public place, and/or consuming liquor by a person under nineteen years of age.
- My parent or guardian will be contacted if I am younger than eighteen years old.
- I will be detained until safe travel can be arranged.
- I will be suspended from school for three days.
- My principal/vice-principal will be contacted if I am a student of another high school.

If I bring a guest who is not a Great Lakes student then I agree to inform that person of these expectations.
