

Hanna Memorial Public School

Principal: Sally Parkinson

Secretary: Mrs. Wendy Weston

May Newsletter

It is hard to believe spring is here! The next two months will go very quickly. As the warm weather approaches and evening activities increase, please keep in mind that a good night's sleep and a regular routine help students to make the most of the learning that is presented to them at school. When students get overtired learning goes down and stress increases. We still have 2 months of learning to do!

During the month of May, and until June 12th, our third and sixth grade students will be participating in EQAO. As an evidence-based research-informed organization, EQAO is focused on empowering educators, parents, guardians, stakeholders and the public at large with the insights and information needed to support student learning and improve student outcomes. The data collected during EQAO is used to improve school programming and classroom instruction. We are requesting the support of the third and sixth grade families to have students attend school consistently during this time and also come rested.

Dates that are important to your family:

May is Ehlers-Danlos Syndrome Awareness Month. The Ehlers-Danlos syndromes have a common set of problems that include joint hypermobility, joint instability, skin laxity and injury, and pain. Although some of the concerns in EDS can be prevented and many can be treated to reduce the burden of illness, EDS is a chronic, life-long condition.

Please let us know if we missed any dates that are important to you.

Hanna Happening Spring Edition

We will be hosting a family night on Thursday May 23rd. This is a chance to bring our learning community together and have families connect with each other and our staff. If you didn't see the flyer that went home last week, please go to the school Website. It is posted there.

- A free dinner will be provided. Please RSVP by May 15th. This will help us determine how much food to buy.
- If you have books (for students in FDK—8) to donate, please drop them at the office before May 23rd.
- If you are able to volunteer, please let us know.
- If students are attending, they must bring a parent/guardian or adult family member.

We hope to see you on May 23rd!

Kinderstart:

Our last kinderstart is happening on Wednesday May 29th from 4-7pm. If you know of a family that has a student who is ready to start junior kindergarten, please let them know about our drop in.

Ms. Sazonov has organized Jump Rope for Heart on May 24th. The event will occur during the middle block. We've already had a kick off assembly last week!

Mr. DiMuzio and Ms. Sazonov have been getting our 6/7/8 soccer players ready for the upcoming tournaments! Thanks coaches!
