Wow, where did September go? What an amazing first month here at ICRPS. The school has been buzzing with excitement over the phenomenal things happening here. Sports teams have begun, food days are starting, we held our Terry Fox Run, our Parent Group arranged for Saidat to visit, and so much more. What a great place to be!

Terry Fox Run Day:

When Terry Fox became ill with lung cancer and had to stop his Marathon of Hope, he said, "Even if I don't finish, we need others to continue. It's got to keep going without me". Once again, our school community has kept Terry's dream and his determination alive. A heartfelt thank you to our staff and students for eagerly participating in our 2023 Terry Fox School Run in the perfect weather on Friday, September 22nd. A very special thank you to all of you for your support of our run to help keep Terry Fox's amazing spirit alive. To date, we have raised \$1815.00 through donations and \$1125.00 from Terry Fox t-shirt sales. Donations are still being accepted and they can be made at: <https://schools.terryfox.ca/IndianCreekRoadPSChatham>

Thank you very much!

Mr. McEwan kindly offered to dye his hair blonde if we exceeded our goal of \$2023 and raised \$2500. It looks like Mr. Ewan will not have dark hair in the near future. Way to go, Sun Devils!!

A special thank you to Mrs. Stonefish, for helping to organize this amazing event for a very worthy cause.

Cross Country:

Thank you to all the cross country runners for a great start to the season. Mrs. Johnston and Mrs. Sparks are proud of you for running. They are looking forward to seeing all your hard work pay off at the city meet on October 11th and the finals in Sarnia October 24. Thank you to all the parents for taking them to their meet.

Saidat:

The students and staff would like to extend a big thank you to our Parent Group for arranging for our two Saidat presentations. Students were engaged during, and a wee bit sweaty after the presentations. During these assemblies, younger students learned the importance of kindness, empathy, and politeness. Older students learned about social responsibility, self-care, and empathy. They learned that their actions can impact the world and themselves.

Food Days:

We currently have three special food days running; Pasta Tuesdays, Harvest Fresh Wednesdays, and Pizza Thursdays. If interested, Harvest Fresh orders can be placed through their website: <https://www.harvestfresh.ca/order/index.jsp>.

Pasta Tuesday and Pizza Thursday orders are placed through School Cash Online (<https://lkdsb.schoolcashionline.com/>) with orders open during the last two weeks of each month, for delivery the following month.

School Cash Online:

In order to minimize the handling of cash, families are encouraged to use [SchoolCash Online](#) when submitting money to the school (special food day, class trips, etc.). SchoolCash Online provides multiple payment options, and allows you to view and print payments and receipts.

ICRPS Daily Schedule:

Start Time: 8:55 a.m.

First Nutrition Break: 10:55-11:35 a.m.

Second Nutrition Break: 1:15-1:55 p.m.

Dismissal: 3:15 p.m.

Safe Arrival and Dismissal:

Regular Arrival and Dismissal: Our parking lot is a busy place during drop off and pick-up times, and as such you may need to drive around the loop more than once. Please do not stop in the loop, blocking traffic. Please remember that the bus lane is for buses only, and the Child Care driveway and parking is for Child Care staff and families only. Staff will help to direct traffic and keep children safe during these busy before and after school times. Staff are also on duty to supervise children from 8:40-8:55 on the school yard. To ensure safety, please ensure students are not dropped off prior to 8:40 a.m.

School Bus Information:

Parents of bussed students are encouraged to [visit the CKlass website](#) and sign-up to the Parent Portal. Using the portal allows parents to view bus delays, notifications, etc. [The MySBI](#) bus status app also provides up-to-date bus service information.

***There is now a new upgraded version of the MySBI app for weather cancellations and bus delays. The new app has improved speed and reliability but will look and function the same as our current app. Unfortunately, the app currently installed on your phone will NOT automatically update to the new version, so all users must download the new app from the App/Google Play Store before September 29th to continue receiving school bus delay and cancellation notices. The current 'old' version of the app will no longer function after this date. [Click this link for more information on downloading the new app.](#)

School Attendance:

Regular school attendance is extremely important to the success of all learners. As hard as it can be some days, starting the school day on time is equally important. We ask that you use School Messenger ~ the LKDSB automated attendance messaging system, to inform the school of absences. The system will notify parents/guardians if your child has been marked absent and the school has not been notified of the reason for the absence. To follow-up, we will contact the parent/guardian phone numbers and email addresses that we have on file. You can help by ensuring that the school has your most updated contact information. Please use SchoolMessenger in one of the following three ways to report your child's absence or late arrival: Option 1: Set up an online [SchoolMessenger account and login](#) to schedule and report absences or a late arrival. Option 2: Download the free [SchoolMessenger app](#) (blue) to your smart phone or tablet to schedule and report absences or late arrival. Option 3: Call the LKDSB toll-free Attendance Reporting number at 1 (844) 487-3695 and follow the prompts to report your child's absence or late arrival. For your security it is recommended that you set a PIN. Your PIN must be private and not shared with your child.

Communication:

Classroom Teacher Communication:

Communication between you and your child's teacher is extremely important. Teachers use electronic communication to keep parents up-to-date on pertinent classroom information (assignments, picture days, class trips, special classroom events, etc.). Please stay tuned for more information about the preferred communication method from your child's teacher (SeeSaw, Google Classroom, etc.).

School/Office Communication:

*****NEW:** ICRPS is in the process of migrating from using REMIND, to a brand new communication tool. More information will be sent to families shortly. Please stay tuned!

ICRPS MONTH AT A GLANCE

Technology (Devices and Cell Phones):

Students and parents should review the [Responsible Use of Technology](#) guidelines to ensure that students are aware of their responsibilities when using the internet and devices.

All electronic devices, such as cell phones, media players, digital game devices, walkie talkies, computers and cameras are not to be used while the student is on school property before, during, or after school without the permission of school personnel and only for educational purposes. Cell phones are to be kept in backpacks while at school unless the student has permission from the teacher for educational use. When carrying a personal electronic device, it is the student's responsibility if lost, stolen or damaged. **At no time will students use electronic devices for digital, audio or video recording without permission from the teacher.** When students need to contact home/parent, it is important that he/she notify school staff rather than use an electronic option, to ensure staff are aware. During nutrition breaks students are not to be using electronic devices, they are to be stored in backpacks. The focus is always responsible use of technology, and to encourage student physical activity and socialization opportunities during nutrition breaks.

Medical Emergency Plans and Administration of Medication:

If your child needs prescription medication administered during school hours, please contact the office for an "Authorization for the Administration of Oral Medication" form. It must be completed by the parent/guardian and signed by a pharmacist or physician and forwarded to the principal for each school year. Updates to the school are required whenever the physician directs a modification of the prescribed medication. We cannot administer any medications without this completed form. If your child is required to carry their medication with them (EPI-Pen, inhaler), please contact the office so we can ensure that their Individual Medical Plan is up to date and accurate.

Allergy Alert:

Please note that in accordance with existing policies, our school is peanut and nut safe. Please refrain from sending any peanut or nut items to school due to anaphylactic allergic reactions experienced by some of our staff and students.

Volunteering at ICRPS:

There are a variety of events that happen each year here at ICRPS, and many as a result of the tremendous help and dedication of parent and community volunteers. Over the last several years, we have had a very robust and energetic Booster Club, and Home and School Association. As our students grow and move on to secondary school, often our parents move on as well. These two groups have recently combined to form our new **ICRPS Parent Group**, and they are now looking to invite new parents in to continue with planning, and helping to make our school a better place. Are you willing and interested in volunteering this year as part of our ICRPS Parent Group, or in another capacity? If so, [please complete this linked form](#).
