Happy New Year!

I am pleased to join the KG staff and community as your Principal! I have spent the last 6 ½ years as Principal at Thamesville Area Central School and before that I was Principal in Mooretown for 2 ½ years, so I am excited to be back in Chatham. My husband attended King George many years ago and loves to tell people he was a KG King, so I am excited to become part of this great school too!

Please feel free to stop by the office and introduce yourself and I will do my best to remember all the new names and faces!
