## School Activities

Cross country has started, and students practice twice a week. Our first meet is October 11 at Thames Grove Conservation area, with a start time of 4:00pm. More information to follow closer to the date.

Student council has started here at KG, and we look forward to focusing on Kindness for the month of October.

October is Breast cancer awareness month. We will be collecting donations for pink ribbons, October 23-27th.

Junior boys' soccer and junior boys/girls' volleyball season has started. Intramurals will begin shortly during recess time for interested students.

### From the Office

Thank you to all the parents who ordered pizza through School Cash Online. If you missed ordering this month and need assistance for next month, please reach out.

### Terry Fox Run

Our school will be participating in the Terry Fox Run, Thursday, October 5th from 1:40-2:45. Donations will be accepted.

### Weather

Fall weather is upon. This is the time of year that students need to dress in layers as we are experiencing colder mornings, and warmer afternoons. Please make sure your child is dressing appropriately. It is worth taking a moment to label your child's name on the tag should it be misplaced.

## **Mark you Calendars...**

**October 5th -Terry Fox Run**
