Re: Short Community Walks

Dear Parents & Guardians,

There are sometimes occasions during the school day when teachers wish to take their students on a short community walk within our immediate neighbourhood to help students further their understanding of our curricular expectations.

We maintain high standards of supervision and safety during these occasions, and teachers maintain direct contact through walkie-talkie and/or cell phones with the school office.

If you do NOT wish for your child to participate in walks within the area designated below, please contact your child's teacher or the office. Otherwise, we will assume that you give permission for your child to participate in these short, local walks.

Thank you,

Carole Wettergreen
Principal
