School Council Meeting

Our next school council meeting is scheduled for Tuesday, October 17th at 6:30pm. All parents/guardians are welcome. If you are interested, please contact the office to be added to the email list.

Medical Information

Medication, both prescription & non-prescription, should not be administered to students by school staff. Specific criteria must be met for staff to administer prescription medication when it cannot be administered at home. An "Authorization for the Administration of Oral Medication" form, (available from the office), must be completed by the parent/guardian and physician, then forwarded to the Principal for each school year. This includes the administration of occasional use medications as well.

If your child has a prevalent medical condition (for example, anaphylaxis, asthma, diabetes, epilepsy), a specific prevalent medical condition form will need to be completed. The forms for this purpose are available on our school website. You can also send a note with your child, and we can send a copy home.

FOOD DRIVE

SHOWING LOVE TO OUR COMMUNITY

OCTOBER 4 - 18

* All food collected will help to feed seniors struggling with food insecurity, and to fill food pantries and food banks.

PIC-COLLAGE

In conjunction with the food drive, starting on Tuesday October 10, 2023, student council will be collecting cereal boxes. Students will be encouraged to bring in boxes of cereal. The goal this year is to fill the perimeter centre loop of the school with the cereal boxes. We will collect these boxes for three weeks, from October 10th to October 31st. On October 31st, we will place the boxes around the school and knock them down to create a domino effect. Everyday members of the student council will come and collect the boxes at 9:30am. Let's start bringing in those boxes of cereal!

School Cash Online

With the LKDSB utilizing an online payment system in all its schools – School Cash Online – there is almost never a need to send money into the school (milk and popcorn are still cash sales at McNaughton). School Cash Online does not store any data, meaning that your banking or credit card information is never stored on the website, providing increased safety for you. Bus Zones 7&8- Inclement Weather

The Lambton Kent District School Board has administrative procedures, which will assist parents on mornings when dangerous weather conditions exist, such as fog at this time of year. If foggy, buses may be cancelled for the morning route, however students will be bussed home after school. Parents should listen to their local radio station or check the transportation website at www.schoolbusinfo.com or download the MySBI app by CLASS.

Absence Reporting

If your child is going to be absent from school, please call the school at **519-352-8252**. When you leave a message, include the first and last name of your child, his/her teacher, and the reason for your child's absence and when he/she will return to school. Our answering machine is available 24 hours a day for reporting absences. Thank-you in advance for your assistance with reporting any absences. You can also use the School Messenger app available on iOS and Android to report student absences.

All children are expected to attend school every day unless they are sick or off with parent approval. A parent can make a request, in writing, to remove their child from school for short term periods-under 15 consecutive school days (family reasons or vacations). An alternative program of study will not be provided for these absences. Students are required to complete regular program activities and assessments. Requests for absences over 15 days, in writing, will require that a program of study be provided and must be completed by the student. If a student is absent for more than 15 days without a written request or a program of study, the student will be removed from the school register.
