**Curriculum**  
**Staff Meeting**

Tuesday the 9<sup>th</sup> PM

- We will begin promptly at the end of the day.
- EDJI: Guest speakers
- SIP Reflection/Revision

**THEN**

- Classroom teachers bring evidence of a number talk. Pick one number talk, bring the math question(s) used, student examples (can be physical, photos, video, etc) and 'how it went.' evidence and artifacts to share.
- Will dive into Number Talks and where to next.

**Knowledgehook** – This is a reminder that Knowledgehook has been purchased and may be used for students K – Gr 10. Teachers have access to premium accounts by logging in with their @lkdsb.net email. A Knowledgehook information section has been added to the LKDSB Math Resource site, and teachers are encouraged to check there for helpful suggestions, login reminders and recorded webinars. Please note the recorded webinars recently posted include a Beginner's Guide, Advanced Tips, Addition & Subtraction Strategies for Grades 1-3 and Fractional Thinking for Grades 3 – 5. These can be found here: <https://sites.google.com/lkdsb.com/lkdsbmathresources/knowledgehook/recorded-webinars>

Grade 6, 7, 8 – Fraction, Decimal and Percent – Sample Think Alouds (Number Talks, Math Talks, Games & Activities and Problem Solving) have been released by the LKDSB Math Team. Learn more about the different types of Think Alouds and view the samples provided for Specific Expectations of Strand B by visiting the LKDSB Math Resource Site and Navigating to the "Think Aloud" option and the "Fraction, Decimal, Percent" option of the top dropdown menus.

**Kindergarten Registration:**
